Nzimande, 2020 *Child of Storm* H. Rider Haggard, 2014-03-17 Dear Mr Stuart For twenty years I believe I am right in saying you as Assistant Secretary for Native Affairs in Natal and in other offices have been intimately acquainted with the Zulu people Moreover you are one of the few living men who have made a deep and scientific study of their language their customs and their history So I confess that I was the more pleased after you were so good as to read this tale the second book of the epic of the vengeance of Zikali the Thing that should never have been born and of the fall of the House of Senzangakona 1 when you wrote to me that it was animated by the true Zulu spirit I must admit that my

acquaintance with this people dates from a period which closed almost before your day What I know of them I gathered at the time when Cetewayo of whom my volume tells was in his glory previous to the evil hour in which he found himself driven by the clamour of his regiments cut off as they were through the annexation of the Transvaal from their hereditary trade of war to match himself against the British strength I learned it all by personal observation in the seventies or from the lips of the great Shepstone my chief and friend and from my colleagues Osborn Fynney Clarke and others every one of them long since gone down *Through the Zulu Country* Bertram Mitford,2019-03-16 **Nada The Lily** Sir H Rider
