Them and Us Philippe Legrain, 2020-10-15 Winner of the Diversity Inclusion and Equality Award at the Business Book Awards 2021 Underpinned by scholarship entertaining Legrain's book fizzles with practical ideas The Economist The beauty of diversity is that innovation often comes about by serendipity As Scott Page observed one day in 1904 at the World Fair in St Louis the ice cream vendor ran out of cups Ernest Hami a Syrian waffle vendor in the booth next door rolled up some waffles to make cones and the rest is history Filled with data anecdotes and optimism Them and Us is an endorsement of cultural differences at a time of acute national introspection By every measure from productivity to new perspectives immigrants bring something beneficial to society If patriotism means wanting the best for your country we should be welcoming immigrants with open arms Brexit Geographies Mark Boyle, Ronan Paddison, Peter Shirlow, 2020-06-29 This comprehensive volume explores the political social economic and geographical implications of Brexit within the context of an already divided UK state It demonstrates how support for Brexit not only sharpened differences within England and between the separate nations comprising the UK state but also reflected how austerity politics against which the referendum was conducted impacted differently with north and south urban and rural becoming embroiled in the Leave vote This book explores how as the process of negotiating the secession of the UK from the EU was to demonstrate the seemingly intractable problem of the Irish border and the need to maintain a soft border provided a continuing obstacle to a smooth transition The authors in this book also explore various other profound questions that have been raised by Brexit questions of citizenship of belonging of the probable impacts of Brexit for key economic sectors including agriculture and its meaning for gender politics The book also brings to the forefront how the UK was geographically imagined a new lexicon of left behind

places citizens of somewhere and citizens of nowhere conjuring up new imaginations of the spaces and places making up the UK This book draws out the wider implications of Brexit for a refashioned geography It was originally published as a special issue of the journal Space and Polity
