Metric Pattern Cutting for Women's Wear Winifred Aldrich,2015-01-22 Metric Pattern Cutting for Women s Wear provides a straightforward introduction to the principles of form pattern cutting for garments to fit the body shape and flat pattern cutting for casual garments and jersey wear This sixth edition remains true to the original concept it offers a range of good basic blocks an introduction to the basic principles of pattern cutting and examples of their application into garments Fully revised and updated to include a brand new and improved layout up to date skirt and trouser blocks that reflect the changes in body sizing along with updates to the computer aided design section and certain blocks illustrations and diagrams This best selling textbook still remains the essential purchase for students and beginners looking to understand pattern cutting and building confidence to develop their own pattern cutting style

Metric Pattern Cutting for Children's Wear and Babywear Winifred Aldrich,2012-06-27 This fourth edition of Metric Pattern Cutting for Children s Wear and Babywear remains the standard text book but has three major improvements First the sections have been re organised to reflect changes in producing and marketing children s clothes Today s popularity of easy fitting styles and knitted fabrics means that basic flat pattern cutting is used to construct the majority of children s wear and babywear and this type of cutting is therefore emphasised in this new edition Shaped blocks and garments cut to fit the body form are still included and are placed in chapters covering some school uniform garments or more expensive fashion or formal clothes The book now clearly separates the sections useful to student beginners Parts One Two and Three and also offers more advanced or specialist sections for students who wish to pursue a career in children s wear or for designers working in the different manufacturing

sectors of the trade The second change in this fourth edition is the introduction of colour coding to the sections this makes it easier to identify specific processes in the book and enhances the illustrations Finally the size charts have been revised to reflect the changes in body sizing The clear division of the boys and girls measurements in the charts has been in response to the way clothes are marketed and to co ordinate with European size charts Plus charts for heavier children have also been added
