, *Pornographic Archaeology* Zrinka Stahuljak, 2012-10-08 In *Pornographic Archaeology* Medicine Medievalism and the Invention of the French Nation Zrinka Stahuljak explores the connections and fissures between the history of sexuality nineteenth century views of the Middle Ages and the conceptualization of modern France This cultural history uncovers the determinant role that the sexuality of the Middle Ages played in nineteenth century French identity Stahuljak s provocative study of sex blood race and love in nineteenth and early twentieth century medical and historical literature demonstrates how French medicine s obsession with the medieval past helped to define European sexuality race public health policy marriage family and the conceptualization of the Middle Ages Stahuljak reveals the connections between the medieval military order of the Templars and the 1830 colonization of Algeria between a fifteenth century French marshal and the development of Richard von Krafft Ebing s theory of sadism between courtly love and the 1884 law on divorce Although the developing discipline of medieval studies eventually rejected the influence of these medical philologists the convergence of medievalism and medicine shaped modern capitalist French society and established a vision of the Middle Ages that survives today

Interpretation Des Heiligen Martin Kriele, 1999 The hermeneutic path involved in the interpretation of law as well as in the interpretation of sacred texts though peculiar seems as Emilio Betti pointed out to share several things most importantly the normative nature of interpretation The 1999 issue of the Yearbook *Ars Interpretandi* accounts for the several and disparate relationships between these two important regional hermeneutics

Poemes Zamoureux Santos Duval, *Summoned to the Roman Courts* Detlef Liebs, 2017-02-23 *Summoned to the Roman Courts* is the first work by Detlef Liebs an internationally recognized expert on ancient Roman law to be made available in English Originally presented as a series of popular lectures this book brings to life a thousand years of Roman history through sixteen studies of famous court cases from the legendary trial of Horatius for the killing of his sister to the trial of Jesus Christ to that of the Christian leader Priscillian for heresy Drawing on a wide variety of ancient sources the author not only paints a vivid picture of ancient Roman society but also illuminates how ancient legal practices still profoundly affect how the law is implemented today

The Unbridled Tongue Emily Butterworth, 2016-02-12 *The Unbridled Tongue* looks at gossip rumour and talking too much in Renaissance France in order to uncover what was specific about these practices in the period Taking its cue from Erasmus s *Lingua* in which both the subjective and political consequences of an idle and unbridled tongue are emphasised the book investigates the impact of gossip and rumour on contemporary conceptions of identity and political engagement Emily Butterworth discusses prescriptive literature on the tongue and theological discussions of Pentecost and prophecy and then covers nearly a century in chapters focused on a single text Rabelais s *Tiers Livre* Marguerite de Navarre s *Heptameron* Ronsard s *Discours des miseres de ce temps* Montaigne s *Des boyteux* Brant me s *Dames galantes* and the anonymous *Caquets de l accouch e* In covering the long sixteenth century the book is able to investigate the impact of the French Wars

of Religion on perceptions of gossip and rumour and place them in the context of an emerging public sphere of political critique and discussion principally through the figure of the public voice which although it was associated with unruly utterance was nevertheless a powerful rhetorical tool for the expression of grievances The Cynic virtue of parrhesia or free speech is similarly ambivalent in many accounts oscillating between bold truth telling libert and disordered babble licence Drawing on modern and pre modern theories of the uses and function of gossip the book argues that despite this ambivalence in descriptions of the tongue gossip and idle talk were finally excluded from the public sphere by being associated with the feminine and the irrational Leconte de Lisle's Poems on the Barbarian Races Alison

Gilbert,2018-02-25 Some visitors from Outer Space are finding it difficult to engage in commerce especially among their own compatriots living on Earth because they are not comfortable using Earth currencies such as the Dollar or the Euro And their fellow travelers could easily hack into the bitcoin system if they wanted to Therefore they are choosing a rare Earth object as a medium of exchange A small number of these objects are being released and the value will be determined based on the level of speculation as regulated by the League It will be legal tender on the home planet for the settlement of all debts accumulated while visiting Earth In the rare event that Earthlings acquire one of these objects they will be allowed to redeem them on any Extraterrestrial planet belonging to the League at a rate to be determined by the local jurisdiction An Earth artisan has been chosen to create such object It is a combination of primitive Earth graphics and poetry disguised to avoid suspicion when traded
