The Death Penalty Roger Hood, Carolyn Hoyle, 2015 The fifth edition of this highly praised study charts and explains the progress that continues to be made towards the goal of worldwide abolition of the death penalty The majority of nations have

now abolished the death penalty and the number of executions has dropped in almost all countries where abolition has not yet taken place. Emphasizing the impact of international human rights principles and evidence of abuse, the authors examine how this has fueled challenges to the death penalty and they analyze and appraise the likely obstacles political and cultural to further abolition. They discuss the cruel realities of the death penalty and the failure of international standards always to ensure fair trials and to avoid arbitrariness, discrimination and conviction of the innocent, all violations of the right to life. They provide further evidence of the lack of a general deterrent effect, shed new light on the influence and limits of public opinion and argue that substituting for the death penalty life imprisonment without parole raises many similar human rights concerns. This edition provides a strong intellectual and evidential basis for regarding capital punishment as undeniably cruel, inhuman and degrading. Widely relied upon and fully updated to reflect the current state of affairs worldwide, this is an invaluable resource for all those who study the death penalty and work towards its removal as an international goal.

Harvard Law Review: Volume 129, Number 3 - January 2016 Harvard Law Review, 2016-01-10. The January 2016 issue, Number 3, features these contents: Article: Presidential Intelligence by Samuel J. Rascoff; Book Review: The Struggle for Administrative Legitimacy by Jeremy K. Kessler on Daniel Ernst's book about the administrative state; Note: Existence Value Standing; Note: Rethinking Closely Regulated Industries. In addition, student commentary analyzes Recent Cases on compelled disclosures in commercial speech, due process notice of procedures to challenge a local ordinance standing after liquidation actions taken under Dodd-Frank, exaction and takings by acquiring equity shares in AIG, religious liberty after Hobby Lobby, bias intimidation laws and mens rea, and whether document production is the practice of law under labor law. The issue includes analysis of a Recent Court Filing by the DOJ supporting a meaningful juvenile right to counsel. Finally, the issue includes comments on Recent Publications. The Harvard Law Review is offered in a quality digital edition featuring active Contents, linked footnotes, active URLs, legible tables and proper ebook and Bluebook formatting. The Review is a student-run organization whose primary purpose is to publish a journal of legal scholarship. It comes out monthly from November through June and has roughly 2500 pages per volume. Student editors make all editorial and organizational decisions. This is the third issue of academic year 2015-2016.

Business and Human Rights in Europe Angelica Bonfanti, 2018-09-13. Transnational business activities are important drivers of growth for developing and the least developed countries. However, they can also negatively impact the enjoyment of human rights. In some cases, multinational enterprises (MNEs) have even been accused of grave human rights abuses in the territory of the states where their subsidiaries operate. Since the parent companies of many MNEs are incorporated under the law of European states, those countries' domestic law and the European legal framework play a crucial role in establishing how their activities should be conducted, also throughout their supply chains, and which remedies will be available when corporate human rights violations occur. In recent years, the European Union, the Council of Europe and their Member States have been adopting policies and legislation to ensure respect for human rights by businesses and have

developed a body of related case law These legal instruments can be considered the European responses to the challenges posed at international law level and they constitute the focus of research of this book Through its collected chapters written by scholars and practitioners under the direction of the editor Angelica Bonfanti the book identifies the European solutions to the business and human rights international legal issues provides an overall assessment of their effectiveness and examines their potential evolution Community Oral Health Practice for the Dental Hygienist - E-Book Christine French
