

Themes	My Community and Me (September-November)	The Environment and Me (December-March)	Change and Growth All Around Me (April-June)
Unit Topics	Welcome to Pre-K 5 Senses All About Us	Where We Live Transportation Light Water	Plants Babies Transformation
Kindergarten Alignment	These pre-K studies will provide important foundational knowledge for students and support their growing understanding of self and the world around them.		
	This pre-K theme occurs simultaneously to the Kindergarten (K) social studies unit on School and Community . It will introduce children to the practices of studying themselves and others, which lay the foundation for the Kindergarten unit Self and Others . In this theme, children begin seeing themselves as critical thinkers and observers of the environment and people around them, practicing key science skills that they will use in future pre-K and Kindergarten science-based units.	This pre-K theme will add depth to children's study of themselves which aligns with the Kindergarten social studies unit of Self and Others . Additionally, children will experience content that supports the K unit Geography, People and the Environment . Science content aligns to the K unit on light and water (Trees Through the Seasons as well as Exploring Properties).	In studying Plants and Babies, pre-K students will continue to learn about the physical environment (aligns to the K social studies unit Geography, People and the Environment as well as the Science unit on Exploring Properties). The study of transformation supports important concepts that are addressed while studying change in K (social studies unit Families, Change and Time). Also science content aligns to K units on plants and the environment (Trees Through the Seasons) and living things (Animals).
