**Topic**

1. Suggest a simple question or hypothesis for the students to explore in their investigation.

*The earthquake in Haiti destroyed the primary water supply from the river?*

The first part of this response is good although there is a bit less of a focus on the river, which could be developed to make the point clear and present a second point for this point. The second part of this response is good about the river and the subsequent water treatment, a mark.

Do not leave things unexplained. Looking at the river and the subsequent water treatment, a mark.

2. Suggest a simple question or hypothesis for the students to explore in their investigation.
