30 Fires You Must Know Billy Goldfeder, Frank Leeb, 2024-08-07 30 Fires You Must Know offers a compelling examination of 30 pivotal fires that remain tactically relevant today. This resource provides a deep dive into modern fire history, offering valuable lessons for firefighters and first responders. By detailing these significant incidents, the book aims to honor the lives lost and ensure that their stories and the lessons learned continue to impact future operations. While there are thousands of fires that have changed the fire service, the 30 were selected from several hundred that have occurred in the past couple of decades that any firefighter operating today must know about. Each chapter includes vivid details from someone who was there or has direct knowledge of each of the fires, ensuring a clear understanding of the events. Additionally, each section begins with an overview to set the stage for what's to come and a lesson plan at the end designed to help you share the details with your firefighters. The book also features a QR code linking to www.30Fires.com where you can access more information about each fire, including documents, reports, photos, audio, and videos. With a commitment to supporting the fire service community, all royalties from 30 Fires You Must Know are donated equally to four key charities: The Firefighter Cancer Support Network, The First Responder Center of Excellence, an affiliate of the National Fallen Firefighters Foundation, The Deputy Chief Raymond M. Downey Scholarship Charity Fund, and The Tunnel to Towers Foundation. In *Following the Wrong God Home*, he recounts his personal odyssey, describing the people he encountered and the unforgettable stories they told. Chisholm's solo journey on foot from the Missouri River to Salt Lake City retraced the 1100-mile trek of nineteenth-century Mormon pioneers. In this account, he juxtaposes that Mormon search for the dream of community against the modern search for the
