Fraser,N. Lawrence,D. Park,2013-03-09 The papers in this volume were delivered and responded to at the Third Conference of the International Society for the Study of Time The meeting took place during sunny days punctuated by an occasional brief storm in the conference facilities of the sterreichisches College in Alpbach Austria from July 1 to July 10 1976 In the middle of it came July 4 the 200th anniversary of the Declaration of independence and in honor of participants from the United States there was a special session of papers on the subject of Freedom and Time See Fraser Park in this volume The effect of the papers was kaleidoscopic reading the table of contents one can surmise the experience of those enthusiasts and there were several who heard them all I think that most people who have been puzzled about time will agree that it is not clear what the puzzle is or from what direction the insights will come that will enable us to understand the situation a little more clearly As one of the participants wrote afterwards After all we do not know a priori whether there exists a real unity in studies about time but if one exists it must reveal itself progressively in the course of successive experiences such as these lectures If it were easy to find it would have been found already without the Society's help **Growing at the Speed of**
