The number of legal fields and subfields is over one hundred making it virtually impossible for an upcoming lawyer to explore
all of these career avenues Many students finish law school with little understanding of what specific law careers involve for
example or what sports or space lawyers routinely do This book highlights the time consuming nature of law education and
training that causes a lack of experience in legal fields as being able to successfully determine the right legal profession for
the student Finding a law career that is a significant source of satisfaction is a function of serious thinking and active
research which the current university to legal practice does not facilitate This book is a practical guide for any student or
