the underlying truths about these fascinating subjects *Stages of Evil* Robert Lima, 2005-12-23 The evil that men do has been chronicled for thousands of years on the European stage and perhaps nowhere else is human fear of our own evil more detailed than in its personifications in theater Early writers used theater to communicate human experiences and to display reverence for the gods governing daily life Playwrights from Euripides onward sought inspiration from this interplay between the worldly and the occult using human belief in the divine to govern characters actions within a dramatic arena The constant adherence to the supernatural despite changing religious ideologies over the centuries testifies to a deep and continuing belief in the ability of a higher power to interfere in human life *Stages of Evil* is the first book to examine the representation and relationship of evil and the occult from the prehistoric origins of drama through to the present day Drawing on examples of magic astronomy demonology possession exorcism fairies vampires witchcraft hauntings and voodoo author Robert Lima explores how theater shaped American and European perceptions of the occult and how the dramatic works studied here reflect society back upon itself at different points in history From representations of Dionysian rites in ancient Greece to the Mouth of Hell in the Middle Ages to the mystical cabalistic life of the Hasidic Jews to the witchcraft and magic of the Elizabethan and Jacobean stage Lima traces the recurrence of supernatural motifs in pivotal plays and performance works of the Western tradition Considering numerous myths and cultural artifacts such as the wild man he describes the evolution and continual representation of supernatural archetypes on the modern stage He also discusses the sociohistorical implications of Christian and pagan representations of evil and the theatrical creativity that occultism has engendered Delving into his own theatrical literary folkloric and travel experiences to enhance his observations Lima assays the complex world of occultism and examines diverse works of Western theater and drama A unique and comprehensive bibliography of European and American plays concludes the study and facilitates further research into the realm of the social and literary impact of the occult **Visions of Global Environmental Justice** Alexander Huezo, 2025 Focusing on the lived experiences of Afro Colombians processing and resisting violence against their ecological communities *Visions of Global Environmental Justice* employs accounts of the supernatural narratively and analytically to frame a contemporary struggle for environmental justice The book applies Achille Mbembé's theorization of necropolitics to the environmental racism of the US War on Drugs in Colombia specifically the aerial eradication of coca in the comunidades negras of the Pacific Coast Through critical examination and deconstruction of transnational mythmaking and local oral tradition *Visions of Global Environmental Justice* illustrates that non humans rendered expendable by US driven drug necropolitics are indispensable to both the conceptualization and the realization of environmental justice globally Far from being a study singularly focused on the symptoms of environmental issues this book creatively guides us toward a broader conceptualization of environmental racism and justice across geographic scales and non human agencies **Sealed in Blood** Margaret L.
