What You Probably Didn't Know About Sex and Celibacy Simona Rich, 2016-05-01 Sex 2 So that it serves as a source of information for those who are thinking about this lifestyle and want to find out what they can expect from it 3 Over the years of my spiritual journey I have come across many incorrect accounts in regard to celibacy like in patriarchal religious texts of the East which probably suffered additions like the Bible did These distortions about sex and celibacy especially target women so I consider it my responsibility to dispel all these falsities through revealing my first hand experience on the matter as well as quoting reliable sources that support my experiences and thus prove them to be genuine 4 I ve also written this ebook to at least to some extent remove the repulsion about the word celibacy since many practice celibacy when they re totally not ready for it and thus truly misguide others about this lifestyle such as priests that have no choice about the matter Because of this indulgence in sense pleasures is chosen over celibacy which serves to stall the spiritual development of a human that s not ready 5 When one becomes interested in such a road usually he is exposed to age old religious teachings that were copied and distorted throughout the ages by those who weren t celibates or practiced celibacy for all the wrong reasons thus not being able to receive any celibacy benefits Reading such texts and looking at the lives of such people only serves to misguide and off put a would be celibate So usually a conclusion is arrived at that celibacy is a road to misery In truth it s a road to total freedom and bliss and you ll think this way too after reading the book 6 Not only most people practice celibacy for all the wrong reasons but they don t even know how to practice it As a result sexual impulses are not transformed into spiritual ones but suppressed instead This with time results in uncontrollable anger outbursts addictions perversions of all sorts or mental imbalances In the Sex Celibacy book you ll read about how to transmute the energy of sex to experience celibacy blessings such as higher intelligence and spiritual growth 7 Finally I felt it necessary to share my celibacy experiences because the female take on celibacy is almost non existent Though somewhat distorted Vedic and Taoist sources still serve as a source of inspiration and

information for men But many of such accounts are in no way helpful to women and as I mention in the book can even stop their spiritual progress since some of the teachings are clearly anti female So I consider it essential to share my celibacy experiences as a woman To follow the road of celibacy successfully as well as to gain spiritual blessings two essential rules must be met You must be ready to follow such a path most people aren't You must practice celibacy correctly most people don't This ebook explains in detail about how to meet both of these requirements Here's what Sex Celibacy ebook covers Celibacy benefits Celibacy dangers Things you must know before becoming celibate Who shouldn't practice celibacy How to practice celibacy correctly What is real celibacy and what isn't most people claiming to be celibates aren't Church misunderstanding of celibacy and a resulting disaster What takes place spiritually during the act of sex Lost information on conception exact days conception and delivery should occur for a developed soul to enter this dimension Immaculate conception Spirit possession during sex Astral body dangers for celibates Creative power of celibates and how not to misuse it Signs showing that you should become celibate What Jesus really says about celibacy What happens to the energy body during celibacy What happens to the energy body during sex Hidden teachings on celibacy and sex in books such as the Bible and A Course in Miracles How luciferian forces operate in the human body and why How luciferian forces penetrated the human body The real function of the astral body and astral realms Sex and attempt to escape from the background of pain What you should know about masturbation An easy yogic method to maintain celibacy My diary entries concerning sex and celibacy Conquering the serpent of lust Two alternative roads for those who find celibacy too difficult Misunderstood unconditional love And so much more I sincerely believe that this ebook contains all you need to know about celibacy It explains what dangers you need to be aware of on this road what kind of blessings you'll experience if you follow this road correctly how to practice celibacy in the right way as well as who should practice celibacy and who isn't yet ready What's more not only will this ebook fully inform you about this unusual yet bliss filled lifestyle but it will also open your eyes to the true nature of sex

interconnected art thus enhancing the epistemology of medicine during the early modern period I highly recommend *The Complete Herbal* to anyone interested in the intricate relationship between nature and health as well as the historical evolution of herbalist practices Whether you are a medicinal practitioner a history enthusiast or a curious layperson Culpeper's enlightening perspectives on botany and healing offer a timeless resource that resonates with ongoing discussions about natural medicine today *The Complete Herbal; to which is Now Added, Upwards of One Hundred Additional Herbs, with a Display of Their Medicinal and Occult Qualities ... to which are Now First Annexed, The English Physician, Enlarged, and Key to Physic ... Wilson,2010-09-23 The Book of Revelation chapter 12 narrates a phenomenon that most readers will find incredible Given a view of a period of time in Heaven Apostle John saw and reported Then war broke out in Heaven Michael and his angels went forth to battle with the dragon and the dragon and his angels fought He actually saw Archangel Michael and His army of Angels in all out war against a dragon and the Dragon and his Angels fought back However the Dragon and his Angels did not prevail they were defeated and violently cast out of and down from Heaven And the huge dragon was cast down and out that ancient serpent who is called the Devil and Satan he who is the seducer deceiver of all Humanity the World over he was forced out and down to the Earth and his angels were flung out along with him Further the Warriors who vanquished this huge dragon called the Devil and Satan And they have overcome conquered him by means of the blood of the Lamb and by the utterance of their testimony for they did not love and cling to life even when faced with death holding their lives cheap till they had to die for their witnessing This was a War in which the armaments were the blood of the Lamb and by the utterance of their testimony This was a War of Words This War would continue on Earth After the Fall of Man the War on Earth between the Two Seeds would be a War of the Spirit Beings fought through Human Beings and other living things to the detriment of those who make the wrong choices during the battles to Save the World of Man How did it begin and how will it end This is one question every Believer is literally dying to know So did Prophet Daniel 12v8 And I heard but I did not understand Then I said O my lord what shall be the issue and final end of these things The issue and final end of these things become evident as we trawl through Holy Scriptures and the histories of Man as has been attempted in the 800 pages of this book
