The state that B rulle describes and honors supremely in this text is Jesus state of self emptying in the mystery of the Incarnation In the hypostatic union our humanity in Christ is lifted up to heaven and Christ is the first fruit of humanity made divine the firstborn among many brothers Through him we become children of God by adoption participants in God s divine being This is an outstanding translation conveying not only the meaning but also the beauty and rhetorical features of the original The Discourses will repay reading as a poignant source of personal devotion a primary text of the Catholic Reformation and a classic of spiritual theology A Concordance to the Canonical Books of the Old and New Testament: to which are Added, a Concordance to the Books Called Apocrypha; and a Concordance to the Psalter, Contained in the Book of Common Prayer ,1859 The Complete Concordance to Shakspere Being a Verbal Index to All the Passages in the Dramatic Works of the Poet by Mrs. Cowden Clarke Mary Cowden Clarke, 1870 **Desire and Unity** Emmanuel-Marie Le Fébure Du Bus, 2022-08-25 Benedict XVI and G rard Depardieu each in his own way introduce us to the life of a saint who remains astonishingly contemporary whose spirituality has come down through the centuries Let us draw water from a source that does not run dry since it is so close to the Gospel of Christ **Classics of Western Philosophy** Steven M. Concordance to Shakspere Mary Cowden Clarke, 1870 The Navarre Bible ,2002 This volume of the Navarre Bible commentaries sheds light on the simple beauty of the Psalms and Song of Solomon Song of Songs The Catechism teaches that the Psalms whether hymns or prayers of lamentation or thanksgiving whether individual or communal whether royal chants songs of pilgrimage or wisdom meditations are a mirror of God's marvelous deeds in the history of his people as well as reflections of the human experiences of the Psalmist Even though they often reflect events of the past the Psalms still possess such direct simplicity and depth that they can be prayed sincerely in all times and conditions This edition with its illuminating commentary will help make these prayers an important part of your life This sturdy hardcover contains the complete Latin and English texts of each book commentary based on the writings of the great saints and doctors of the Church and material on each book s historical and Biblical context The Lord's Words Michael Theobald, 2025-11-11 The great Johannine speeches of Jesus in the fourth gospel exert an unbroken magic on their listeners They accomplish this by use of vivid imagery e g bread vine shepherd way and their many repetitions of crucial insights What seems at first monotonous actually draws one into a deep spiral of knowledge Apart from a few exceptions interpreters of John s gospel agree The historical Jesus did not speak as John styles his Jesus If the goal is to reconstruct the message and words of the historical Jesus one will have to turn to the synoptic gospels The Lord's Words develops a new explanation model for the genesis of the Johannine Jesus speeches These speeches are based on core words from the Johannine church tradition which the evangelist received reflected in the monologues and dialogues of the gospel and so worked out his speech compositions The study is not as in an older branch of research the apologetic attempt to connect John to a presumed Jesus tradition by tracing the development of the words of the Lord Rather the book focuses upon the literary and theological hermeneutics of the evangelist in dealing with those good words At the same time the book pursues the goal of uncovering the origins of the high Johannine Christology Wisdom Christology investigating the trauma of the Johannine Christians schism from the Jewish synagogue
