To get started with your career and education planning process, ask yourself these questions. You do not need to know the answers to all these questions right now. They are simply guiding questions to keep in mind as you go through the process of career and education planning.

What do I see myself doing after high school?

What decisions might I need to make to get started on further education or a career path?

What changes might I need to make?

(courses I am taking, volunteer work, etc.)

What resources are out there to support these changes?

How can technology support my imagined future?

(taking course through distance education or e-learning)

What will I need to create my ideal future?

(talent, finances, information and school supports)

*"Don't ask yourself what
the world needs;
ask yourself what
makes you come alive.
And then go and do that."*
