Students Pet An Erotic Femdom Novelette English Edition:

Purse Pet Taedis, 2017-08-10 Rebecca was only halfway through her 20s and her life had already hit a dead end. She was smart, talented, witty, and very much alone. Sure, she had her favorite cousin to keep her from going totally batshit crazy, but it wasn't the same as having a girlfriend. She'd had zero luck with dating apps, and it wasn't like she was going to find Ms. Right at her go-nowhere day job. That's when she met Tina Jordan. OK, met is too strong a word. The closest Rebecca got was the 15th row of a packed stadium where 20-year-old singing sensation Tina wowed the crowd and won Rebecca's heart. Mistakes were made. Six months later, Rebecca was sitting in a jail cell, looking down the barrel of a twelve-year sentence for breaking and entering, resisting arrest, and stalking. That's when Tina's lawyer made Rebecca an offer she probably should have refused: Tina would let Rebecca be with her, but only on Tina's terms. And Tina wanted Rebecca shrunk smaller than a doll by the good people at The Stovent Company. Little Becky would share Tina's bed at night and be her pampered pet by day, kept in a cage or carried around in a purse as a living trophy of Tina's wealth and power. If Becky accepted, there'd be no going back. Once she signed away her size and her rights as a human being, she'd be a pet forever. If not for Tina, then someone else. She could be bought, sold, traded, or gifted, however her owner wished. It was a choice between twelve years in prison or a lifetime spent as a pet. It was a choice no sane woman would ever make, but sometimes love makes you do the wacky. This is the story of little Becky's search for love and happiness in a world of giantesses. Will Tina turn out to be the woman of her tiny dreams? How will her experiences as a tiny woman both uplifting and traumatic change her? And what will her happy ending look like? This is the third novel set in the Shrink Inc. universe. You do not have to have read any of the previous stories in order to enjoy this one. The primary focus of this work is a shrunken woman interacting with normal-sized giantesses. There are incidental male characters, both shrunken and normal-sized, but their interaction with Becky is minimal. If you're looking for giant-man/shrunken-woman erotica, this book isn't for you. Warning: This 70,000-word novel contains adult content, including sexual situations, erotic sizeplay, BDSM, and other elements not suitable for the young or prudish. [Teacher's Pet: Emma - An Erotic Alpha Male Professor and Student BDSM Romance Box Set Bundle](#) Francesca Young, 2015 [Juliet's Orders](#) J.T. Hall, 2014-12-09 Brainy but beautiful Juliet has an annoying problem: her college classmate Russell keeps bugging her for a date. He's a jock, brash, and arrogant, and he has absolutely no idea that he's playing with fire. For Juliet has a secret. At school, she may be the class nerd, but by night, she likes to spank and discipline men. Russell makes a bet that she can't dress up in a sexy schoolgirl outfit and pretend to have an orgasm at lunch. Juliet takes him up on it with the threat that if she wins the bet, he gets to be her slave for an evening. That means he'll have to wear what she says and be respectful and submit. Most of all, it means taking Juliet's orders, whatever they may be. Let the games begin. This material is for mature readers. All characters are over 18. Warnings for BDSM and themes of submission and domination. Keywords: Spanking, orgasm control, sex slave, femdom, crops, humor, chick lit, erotic romance, college school girl outfits, sex club, humiliation, enemies to lovers. **Teacher's Pet**

Micromanaged Taedis,2015-12-30 In a world of constant innovation and miniaturization the only thing that humanity had left to innovate and miniaturize was themselves Until the Stovent Company opened their doors for business Most people don't recognize Richard Stovent's name or the company that bears it The Stovent Company doesn't fit a headline or chyron as neatly as Shrink Inc does so most people don't associate the dour sounding name with the company that claims to have revolutionized humanity But anyone paying attention knows the name that pushed through sweeping legislation altered the social landscape and introduced technology that stepped out of a science fiction movie The Stovent Company perfected technology that could shrink a bull elephant to the size of a house cat or a fully grown man to the size of a doll There were of course catches The process was irreversible once shrunk the target could never return to normal In order to avoid liability any person wanting to be resized had to sign away all of their rights Not only as a citizen but as a human being Once shrunk they would become property to be bought sold or bartered at the whims of their new owners No one thought they'd find even one person willing to be turned into a human toy but they soon had a waiting list of people willing to spend fortunes to become nothing The first human shrinking subject known only as Patient Zero was shrunk to the size of a postage stamp before the ink was dry on the legislation legalizing his shrinking At least that's the story the networks want you to believe The truth is a bit dirtier than that A sordid little tale of a cliché of a man who risked his life not so much for science so much as the fame and money they could make him His experiment was a success from a certain point of view He walked into the chamber a fully grown man only to come out the other side half an inch tall The only person who knew about the experiment was his gorgeous and much put upon secretary She had undergone months of degrading treatment only to now find her pig of a boss literally in the palm of her hand On that day John Harper left his life of sleeping in taking long lunches and hitting on his secretary Traded that in for a life of a lab rat living in a plastic prison Slowly devolving from business leader to pet to foot slave to his former underling
