Criminal Justice Research: Inspiration Influence and Ideation Ian K McKenzie,Ray Bull,2017-11-01 This title was first published in 2002 A collection of criminal justice researchers select a number of books documents papers and such like that they believe to be important and influential in the field of criminal justice research Each author has written a description and critique of the selected item and have discussed the impact of each of them with regards to formulating or developing their own research The authors also speculate onb the direction they believe the area in question might be expected to develop in the first 10 15 years of the 21st century The definition of crimnal justice in this book is a broad one and that is reflected in the combination of criminologists psychologists sociologists and experts on social and public administration In all the book attempts to examine the inspirations influences and thought processes which underpin criminal justice research efforts

Qualitative Approaches to Criminal Justice Mark Pogrebin,2003 The growth in popularity of qualitative research in the social sciences over the last two decades has been nothing short of amazing Qualitative Approaches to Criminal Justice Perspectives from the Field reveals some of the reasons for the success and stature of this unique methodological approach Exploring the real life experiences of criminal justice professionals this anthology is the first book to focus solely on the use of qualitative research in various components of the criminal justice system The collection is organized from two criminal justice perspectives one qualitatively oriented and the other system oriented including overviews of each qualitative method and commentaries that analyze the research techniques Case studies illustrating actual fieldwork practices bring theory vividly to life Qualitative Approaches to Criminal Justice Perspectives from the Field is multi faceted in both its content and application Through its investigative techniques which rely mainly on observations participant observation and open ended interviews qualitative research reveals parts of the social world that remain hidden to more traditional methodological techniques Recommended as a companion to an administration of criminal justice course as well as courses in qualitative

research in criminal justice Also recommended as a supplemental text for any research methods course in a criminal justice degree program including sociology political science and legal studies

The Role of Law in Social Work Practice and Administration Theodore J. Stein, 2004-08-18 The strong nexus between law and social work is beyond dispute the law informs day to day social work practice and administration and social workers are employed by the courts Moreover they work collaboratively with attorneys in legal aid offices public defenders offices and other law enforcement settings interviewing clients preparing reports for use in court interpreting social science information and providing consultation on how best to approach client problems This book addresses the relationship between the professions of social work and law and helps social workers develop the knowledge necessary to practice in a legal environment The author focuses on how the law affects the day to day practice of social work the creation administration and operation of social service agencies and the ways in which social workers and attorneys collaborate to serve the public
