their heads They are bombarded with claim and counter claim as soon as they want to tackle anything topical The contentious subjects tend to be the historical Jesus gender and sexuality or the atonement Other subjects might be less contentious but attract an astonishing excess of literature Take the vast literature tackling the subject of the Church for instance or the bloated body of tomes on various aspects of Pneumatology This book tries to provide the bewildered and intimidated student with a primer that is at once introductory and incisive approachable and informative It will help those training for ministry to recover their fascination for the subject of theology and how it could apply to their future ministry Subjects covered include The Quests for the Historical Jesus Third Article Theology The Missional Church Liberation Theology Feminist LGBT and Queer Approaches Postmodern Faith and the Emerging Church Nonviolent Atonement

Crossroads of the Eternal M. Brett Callaway, 2018-11-07 Not so long ago it was taken for granted that God exists Today there is a blindness to him even though he makes his presence known to all The book begins by showing how better to recognize his presence and understand how he reveals himself to us The next three chapters discuss how we move from an awareness of his presence to beginning to know him and through a knowledge of him begin to know what his purpose is for us and how our lives are shaped by that knowledge Having seen how he reveals himself to us and how we know the world and see the world through different eyes we then look at how to apply our new view in the face of a society that remains blind to this knowledge Chapters 5 7 explore truth first from the standpoint of its existence then in how to recognize its counterfeits and finally to understand the consequences of its loss Chapters 8 10 look at how and why being able to see God's hand in all aspects of life and to center life on him by faith in his son Jesus Christ completely changes life for the better Non-Christians often hear this claim made by evangelists If they ask why too often the answer is in Christian speak that is foreign to them The intent is to bridge from the place where they are and explain how Christians have found peace in times of suffering even joy in the most horrific circumstances enabling them to give thanks in all things In a sense the book finishes where it started by looking at who we truly are what kind of world this is and how God has made all into his glorious plan

Bonhoeffer's New Beginning Andrew D. DeCort, 2018-09-15 Bonhoeffer's New Beginning investigates the ethics of making new beginnings after devastating moral rupture The work argues that new beginnings must be made in order to sustain the fundamental convictions that it is good to exist and that life in the world with others should be loved without exclusion Bonhoeffer's ethics of new beginning is set in conversation with the thought of four moral philosophers Friedrich Nietzsche Hannah Arendt Jonathan Glover and Jonathan Lear DeCort argues that Bonhoeffer's ethics of new beginning opens and energizes a more promising world affirming moral vision with radical hope for new beginnings vis vis the perceived absence of God in the face of devastation
