1990 20 4% attended church In 2000 the percentage dropped to 18 7% By the year 2050 if the church doesn't change it is estimated church attendance will drop to 11 7% This can be reversed if we adopt the evangelistic strategy used by Jesus and the apostles This book gives you a detailed breakdown of the gospel the apostle Peter presented on the Day of Pentecost that ended with 3 000 baptisms in one day The book will also show you how Luke the author of Acts packaged the never changing gospel to ten different types of neighbors the hurting religious spiritualist seeker fanatic good person abuser skeptic misinformed and pleasure seeker This book and its training manual identify over one hundred questions about spiritual matters and help you have the answers your neighbors need to hear

A CRITICAL STUDY GUIDE TO JOYCE'S A PORTRAIT OF THE ARTIST AS A YOUNG MAN THOMAS F. STALEY, 1968 Life Science (Teacher Guide) Dr. Carl Werner, 2018-05-17 Chapter Discussion Question Teachers are encouraged to participate with the student as they complete the discussion questions The purpose of the Chapter Purpose section is to introduce the chapter to the student The Discussion Questions are meant to be thought provoking The student may not know the answers but should answer with their thoughts ideas and knowledge of the subject using sound reasoning and logic They should study the answers and compare them with their own thoughts We recommend the teacher discuss the questions the student's answers and the correct answers with the student This section should not be used for grading purposes DVD Each DVD is watched in its entirety to familiarize the student with each book in the course They will watch it again as a summary as they complete each book Students may also use the DVD for review as needed as they complete each chapter of the course Chapter Worksheets The worksheets are foundational to helping the student learn the material and come to a deeper understanding of the concepts presented Often the student will compare what we should find in the fossil record and in living creatures if evolution were true with what we actually find This comparison clearly shows evolution is an empty theory simply based on the evidence God's Word can be trusted and displayed both in the fossil record and in living creatures Tests and Exams There is a test for each chapter sectional exams and a comprehensive final exam for each book

Galatians Bruce Bickel, Stan Jantz, 2008 Free Unearned A gift God's acceptance comes with no strings attached as you trust in His Son Jesus This is the whole gospel But for 2000 years Christians including the first century Galatians have often believed they must add performance requirements to the gospel in order to truly earn God's approval Listen in as the apostle Paul blows the lid off this self-deception by explaining why the Good News becomes bad news when you mix it with rules how to sniff out people who are promoting a false rules added gospel why adding requirements to God's grace actually subtracts from your enjoying Christ why trust is the only
