Morgan, 2004 The social realist movement with its focus on proletarian themes and its strong ties to New Deal programs and leftist politics has long been considered a depression era phenomenon that ended with the start of World War II This study explores how and why African American writers and visual artists sustained an engagement with the themes and aesthetics of social realism into the early cold war era far longer than a majority of their white counterparts Stacy I Morgan recalls the social realist atmosphere in which certain African American artists and writers were immersed and shows how black social realism served alternately to question the existing order instill race pride and build interracial working class coalitions Morgan discusses among others such figures as Charles White John Wilson Frank Marshall Davis Willard Motley Langston Hughes Sterling Brown Elizabeth Catlett and Hale Woodruff      *Outlook* Alfred Emanuel Smith, Francis Walton, 1917      **The Americans** , 2005      **Mennonites in the World War: Non-Resistance Under Test** Jonas Smucker Hartzler, 2020-12-08 In *Mennonites in the World War Non Resistance Under Test* Jonas Smucker Hartzler meticulously examines the profound challenges faced by Mennonite communities amidst the tumult of the First World War Employing a blend of historical narrative and personal reflection Hartzler delves into the theological underpinnings of Mennonite non resistance exploring how this pacifist stance was both tested and reinforced during a period marked by widespread nationalistic fervor The book situates Mennonite experiences within a broader socio political context providing a nuanced understanding of faith and identity in times of crisis Jonas Smucker Hartzler an ordained Mennonite minister and scholar draws upon both personal and communal histories to illuminate the complexities of Mennonite beliefs during wartime His deep rooted connections to the Mennonite faith and ongoing engagement with its doctrines provide a compelling backdrop for this work Hartzler s insights are further enriched by his experiences in a community grappling with loyalty to

pacifism while facing external pressures from society This essential read is highly recommended for scholars and general readers alike who seek to understand how faith can be persevered and challenged during tumultuous times Hartzler s poignant narrative not only preserves a critical historical moment but also invites dialogue about the relevance of non resistance in contemporary conflicts The New York Times Index ,1917 *The Pageant of America: Makers of a new nation*, by J.S.
