Stasiewicz-Bieńkowska, 2017-11-14 This unique study explores the vampire as host and guest, captor and hostage, a perfect lover and force of seductive predation. The first section welcomes the reader into ominous spaces of home, examining the vampire through concepts of hospitality and power, the metaphor of threshold and the blurred boundaries between visitation, invasion and confinement. Section two reflects upon the historical development of vampire narratives and the monster as oppressed, alienated Other. Section three discusses cultural anxieties of youth, immaturity, childhood, agency, abuse and the age of consent. The final section addresses vampire as intimate partner, mapping boundaries between invitation, passion and coercion. Schmid, 2017-08-07 Narratology has been flourishing in recent years thanks to investigations into a broad spectrum of narratives at the same time diversifying its theoretical and disciplinary scope as it has sought to specify the status of narrative within both society and scientific research. The diverse endeavors engendered by this situation have brought narrative to the forefront of the social and human sciences and have generated new synergies in the research environment. *Emerging Vectors of Narratology* brings together 27 state-of-the-art contributions by an international panel of authors that provide insight into the wealth of new developments in the field. The book consists of two sections. Contexts includes articles that reframe and refine such topics as the implied author, narrative causation and transmedial forms of narrative; it also investigates various historical and cultural aspects of narrative from the narratological perspective. Openings expands on these and other questions by addressing the narrative turn, cognitive issues, narrative complexity and metatheoretical matters. The book is intended for narratologists as well as for readers in the social and human sciences for whom narrative has become a crucial matrix of inquiry. **The Absent Mother in the Cultural Imagination** Berit Åström, 2017-07-11 This

*The Quack's Daughter* Greta Nettleton,2013-05 Raised in the gritty Mississippi River town of Davenport Iowa Cora Keck could have walked straight out of a Susan Glaspell story When Cora was sent to Vassar College in the fall of 1884 she was a typical unmotivated newly rich party girl Her improbable educational opportunity at the first great educational institution for womankind turned into an enthralling journey of self discovery as she struggled to meet the high standards in Vassar s School of Music while trying to shed her reputation as the daughter of a notorious quack and self made millionaire Mrs Dr Rebecca J Keck second only to Lydia Pinkham as America s most successful self made female patent medicine entrepreneur of the time This lively stereotype shattering story might have been lost had Cora s great granddaughter Greta Nettleton not decided to go through some old family trunks instead of discarding most of the contents unexamined Inside she discovered a rich cache of Cora s college memorabilia essential complements to her 1885 diary which

Nettleton had already begun to read *The Quack's Daughter* details Cora's youthful travails and adventures during a time of great social and economic transformation From her working class childhood to her gilded youth and her later married life Cora experienced triumphs and disappointments as a gifted concert pianist that the reader will recognize as tied to the limited opportunities open to women at the turn of the twentieth century as well as to the dangerous consequences for those who challenged social norms Set in an era of surging wealth torn by political controversy over inequality and women's rights and widespread panic about domestic terrorists *The Quack's Daughter* is illustrated with over a hundred original images and photographs that illuminate the life of a spirited and charming heroine who ultimately faced a stark life and death crisis that would force her to re-examine her doubts about her mother's medical integrity *Everyone Says That at the End of the World* Owen Egerton, 2013-04-01 In this often riotous ultimately moving *Cat's Cradle* for our time a Texas couple prepares for the apocalypse Kirkus Reviews In Austin Milton and Rica are expecting their first child It's four days and counting Not for the baby But for the end of the world Evidence Haydon Brock a godless television star has suddenly traded his Hollywood fame for salvation A prophetic hermit crab is embarking on an unfathomable cross country quest Planes are dropping from the sky And the president and first lady disappear No omen is too inexplicable to Milton He's learned for a fact that our planet is one vast asylum for the incurably insane And its cosmic guardians are about to close down the whole damn thing Then Milton receives one more premonition to seek out Haydon now holed up somewhere in Marfa To what end Milton hasn't a clue To find out Milton Rica and their best friend head west across an increasingly cataclysmic landscape of interdimensional time travelers Jesus clones sleep deprived monks ghosts and angels in an epic and manic quest to outrun the last days on Earth Combining humor philosophical inquiry and an unforgettable cast of characters this sharp witted satire Booklist is a future classic and people will be reading it decades from now I know I will Charles Yu *How to Live Safely in a Science Fictional Universe* **Columbia University Studies in the Social Sciences**, 1926 *Life in a Day* Doris Grumbach, 2014-12-02 A look into the daily life of one of America's great memoirists At seventy seven Doris Grumbach is as sharp as ever and in *Life in a Day* she examines the experiences of her later years from the dreaded writer's block to the many hours she has spent reading to the effects of an increasingly modern and interconnected world Imbued with Grumbach's characteristic candor and verve *Life in a Day* is a celebration of the meaning to be found in the quotidian **Transnational Arab Stardom** Kaya Davies Hayon, Stefanie Van de Peer, 2024-01-25 Building on the work of star studies scholars this collection provides contextual analyses of off screen representation as well as close textual analyses of films and star personas thereby offering an in depth study of the Arab star as text and context of Arab cinema Using the tools of audience reception studies the collection will also look at how stars of film stage screen and new media are viewed and received in different cultural contexts both within and outside of the Arabic speaking world Arab cinema is often discussed in terms of political representation and independent art film but rarely in terms of stardom glamour performance or masquerade Aside from a

few individual studies on female stardom or aspects of Arab masculinity no major English language study on Arab stardom exists and collections on transnational stars or world cinema also often neglect to include Arab performers This new book seeks to address this gap by providing the first study dedicated entirely to stardom on the Arab screen Structured chronologically and thematically this collection highlights and explores Arab film screen and music stars through a transnational and interdisciplinary set of contributions that draw on feminist performance and film theories media studies sound studies material culture queer star and celebrity studies and social media studies **Film International** ,2007
