Seduction On The Sand Barefoot Bay Billionaires Book English Edition:

Seduction on the Sand Roxanne St. Claire, 2014-07-29 Like everything in his life becoming a billionaire was easy for Elliott Becker. He bought some land in Massachusetts and discovered he sat on two billion dollars worth of rare Goshen stone. Lucky, charming, and blessed with every gift from every god, Elliott expects his simple purchase of property in Barefoot Bay will go the way everything does for him in life: easy. Until he meets the woman who currently owns that land and suddenly everything is hard. Frankie Cardinale's fondest memories took place on the tiny goat farm owned and run by her Nonno in the heart of Barefoot Bay. As a child, the farm and its precious residents were a refuge for her after her parents died, and her grandfather taught her all about the sweet life of raising goats. While she held her Nonno in her arms on his deathbed, she promised his land would never leave their family and that she would continue his legacy. Nothing—not even a sexy, playful, intoxicating billionaire who always gets his way—will convince her to break that promise. Except Elliott Becker is a man who always gets what he wants, even if that means a little seduction and double crossing of a humble goatherd. But will his lucky streak hold long enough to keep him from making the biggest mistake of his life? Because all the money in the world can't buy him what he really wants: the most her love.
