Seeing Christ in the New Testament Stephen Kaung, 2010-09-29 The Holy Scriptures the Bible is the foundation of our faith It is God breathed It gives us the full knowledge of Him and of His Son This is the eternal life that they should know Thee the only true God and Jesus Christ whom thou hast sent John 17 3 God s word gives us eternal life through faith in Christ Jesus It makes us men and women of God It is most profitable for our spiritual life for it teaches us convicts us corrects us and instructs us in righteousness Thus we are made complete and fully equipped to do God s will We are exhorted by our Lord himself to search the Scriptures for in them is the witness concerning Him see John 5 37 A special blessing is given by God to those who read hear and keep His word see Revelation 1 3 The New Testament is composed of twenty seven books Each of these twenty seven books reveals Christ to us in a special aspect of His fullness Thus we are able to know Christ in His fullness In this volume each book in the New Testament is briefly discussed with special attention to seeing Christ in His fullness It is not an exhaustive study its purpose simply being to offer a taste of the sweet word of God so as to induce us to search His word more diligently May He draw us deeper into His word so that we may be drawn deeper into Him **Don't**

Fire Your Church Members Jonathan Leeman, 2016-01-15 Church membership is not just a status it s an office Leaders shouldn t fire members from the responsibilities given to them by Jesus they should train them When members are trained the church grows in holiness and love discipleship and mission Complacency and nominalism are diminished Jesus gives every church member an office in the church s government to assume final responsibility for guarding the what and the who of the gospel in the church and its ministry Similarly Jesus gives leaders to the church for equipping the members to do this church building and mission accomplishing work In our day the tasks of reinvigorating congregational authority and elder authority must work together The vision of congregationalism pictured in this book offers an integrated view of the Christian life Congregationalism is biblical but biblical congregationalism just might look a little different than you expect It is nothing less than Jesus authorization for living out his kingdom rule among a people on mission *Connections: A Lectionary*

Commentary for Preaching and Worship Joel B. Green, Thomas G. Long, Luke A. Powery, Cynthia L. Rigby, Carolyn J. Sharp, 2020-04-14 Designed to empower preachers as they lead congregations to connect their lives to Scripture *Connections* features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary This nine volume series offers creative commentary on each reading in the three year lectionary cycle by viewing that reading through the lens of its connections to the rest of Scripture and then seeing the reading through the lenses of culture film fiction ethics and other aspects of contemporary life Commentaries on the Psalms make connections to the other readings and to the congregations experience of worship *Connections* is published in partnership with Austin Presbyterian Theological Seminary [Cross Purposes](#) Anthony Bartlett, 2018-09-20 This seminal study of the Christian theory of the atonement examines the story of Christian violence In *Cross Purposes* Anthony Bartlett claims that the key Western doctrines of

atonement have been dominated by a logic of violence and sacrifice as a means of salvation. Subsequently the graphic suffering of the crucified in images and narrative has served to unleash a prolonged sacrificial crisis in which there is always a potential need to displace blame. These doctrines of atonement have sanctioned wide spread violence in the name of Christ throughout history. But Bartlett argues that a minority tradition also exists. He contends that the tradition of the compassion of Christ provides the possible way out of Christian violence. Bartlett's study gives this tradition a dynamic new reading showing how it undoes both divine and human violence and offers a powerfully transformative version of atonement for the contemporary world. *Cross Purposes* provides a rich historical and theological overview of the evolution of various atonement theories using literature, art and philosophy to provide a creative and provocative reading of Christian atonement. Anthony Bartlett is engaged in post doctoral research and is an instructor in Religion at Syracuse University.
