Helpful Hints for Parent-Teacher Conferences

- sit next to the parents, not across from them
- start with a positive comment
- provide a suggestion for reinforcement or further work at home
- short, sweet and simple is the way to go (avoid educational jargon)
- LISTEN to the parents and their concerns
- end on time (commit to another conference or phone conference to avoid going over the allotted time)

The Other Side of the Report Card Maurice J. Elias, Joseph J. Ferrito, Dominic C. Mocer, 2015-12-14 To better serve the whole child look at the whole report card Although parents and teachers spend more time in conferences talking about behavior than they do about rubrics and test scores too many teachers are still guessing when it comes to using outdated behavior ratings and comments to describe the whole child With this book you ll take report cards to the next level integrating social emotional learning and character development into any grading system Resources include Guided exercises for analyzing existing report cards Suggested report card designs Tips on improving teacher parent communication Case studies Testimonials from teachers and students **Writing Effective Report Card Comments** Susan Shafer, 1997 At last here is a practical book that gathers time saving tips from teachers on writing effective report card comments Packed with advice this resource will help you collect assessment information easily and describe your students performances clearly and constructively You ll find handy lists of phrases that encourage children words to avoid and concise advice on how to prompt parents to support learning at home Book jacket **Giving Students a Say** Myron Dueck, 2021-01-26 Assessment is an essential part of teaching and learning but too often it leads to misleading conclusions sometimes with dire consequences for students How can educators improve assessment practices so that the results are accurate meaningful informative and fair Educator and best selling author Myron Dueck draws from his firsthand experience and his work with districts around the world to provide a simple but profound answer put student voice and choice at the center of the process In this engaging and well researched book Dueck reveals troubling issues related to traditional approaches and offers numerous examples of educators at all levels who are transforming assessment by using tools and methods that engage and empower students He also shares surprising revelations about the nature of memory and learning that speak to the need for rethinking how we measure student understanding and achievement Readers will find sound advice and detailed guidance on how to Share and cocreate precise learning targets Develop student friendly rubrics linked to standards Involve students in ongoing assessment procedures Replace flawed grading systems with ones that better reflect what students know and can do and Design structures for students self reporting on their progress in learning Inspired by the origins of the word assessment derived from the Latin for to sit beside Dueck urges educators to discard old habits and instead work with students as partners in assessment For those who do the effort is rewarding and the benefits are significant **Handbook of Research on Emotional and Behavioral Disorders** Thomas W. Farmer, Maureen A. Conroy, Elizabeth M.Z. Farmer, Kevin S. Sutherland, 2020-03-26 The Handbook of Research on Emotional and Behavioral Disorders explores the factors necessary for successful implementation of interventions that foster productive relationships and ecologies to establish reinforce and sustain adaptive patterns of emotional and behavioral functioning across childhood and into adulthood Although there has been a concerted focus on developing evidence based programs and practices to support the needs of children and youth

with emotional and behavioral disorders there has been less emphasis on the developmental social and environmental factors that impact the implementation and effectiveness of these approaches. Chapters from leading experts tackle this complexity by drawing on a range of disciplines and perspectives including special education, mental health services, school clinical and community psychology, social work, developmental psychology and psychopathology, and prevention science. An essential resource for scholars and students interested in emotional and behavioral disorders, this volume crafts an essential framework to promote developmentally meaningful strategies for children and youth with even the most adverse experiences and intensive support needs.

Discipline in Special Education Allan G. Osborne, Jr., Charles J. Russo, 2009-06 This practical, easy-to-follow guide is an informative and well-organized resource for busy administrators who are trying to run safe, orderly schools. Lois F. Berlin, Superintendent Falls Church City Public Schools, VA. The authors present readable, practical guidelines detailing the full spectrum of discipline-related legal issues impacting students with special needs. Kevin P. Brady, Assistant Professor, North Carolina State University. Make appropriate disciplinary decisions without violating the rights of students with disabilities. Leading experts Allan G. Osborne Jr. and Charles J. Russo illustrate how existing legislation affects the rights of students with disabilities and provides educators with clear guidelines for taking suitable disciplinary actions under the reauthorization of IDEA 2004. Ideal for school principals, assistant principals, guidance counselors, school board members, and special education faculty, this resource includes frequently asked questions, a glossary of terms, acronyms, and abbreviations for easy reference. In language that is current and reader-friendly, this book also analyzes case law, including *Honig v. Doe*, the primary court decision concerned with disciplining students with disabilities. Offers a thorough overview of IDEA's many detailed disciplinary mandates and provides suggestions for implementing each of the mandates. Clarifies the IDEA provisions that protect students to help ensure they are not being disciplined for actions that stem from their disabilities. *Discipline in Special Education* helps school personnel gain a solid foundation for making disciplinary decisions that are fair and legal.

OECD Reviews of Evaluation and Assessment in Education: Student Assessment in Turkey Hannah Kitchen, Bethell George, Fordham Elizabeth, Henderson Kirsteen, Li Richard, Ruochen, 2019-09-09 Turkey's education system stands out internationally as a success story. In recent decades, participation has been vastly expanded, becoming universal at lower levels of schooling and outperforming other middle-income countries in upper secondary education. However, the education system is also marked by disparities, with only around half of 15-year-olds acquiring the essential competencies they need for life and work.

Essentials of Executive Functions Assessment George McCloskey, Lisa A. Perkins, 2012-12-14 Written by experts in the area of executive functioning, *Essentials of Executive Functions Assessment* equips mental health practitioners, school clinical, developmental, pediatric neuropsychologists, educational diagnosticians, and educational therapists with all the information they need to administer, score, and interpret assessment instruments that test for executive functions deficits associated with a number of psychiatric and developmental disorders.
