My SMART Goal Planner

What EXACTLY do I want to accomplish?

I want to get all 4's on my report card.

How will I know when I meet my goal?

When my report card comes out.

Is it possible to meet this goal with effort by my timeline?

If I work hard during school and at home I can accomplish my goal.

Is this goal worth working hard to accomplish? Does it help me with my long term goals?

This goal is worth working hard for because it will make my parents and myself happy. Also if I get good grades now it will help me in school later.

What is the deadline I have set to meet this goal?

By the end of the quarter.

A goal without a plan is just a wish. ~Antoine De Saint Exupery
