Studies In The Psalms

Joseph Bryant Rotherham

Studies In The Psalms:

Psalms J. Clinton McCann, 2011 Journey inside the pages of Scripture to meet a personal God who enters individual lives and begins a creative work from the inside out Shaped with the individual in mind Immersion encourages simultaneous engagement both with the Word of God and with the God of the Word to become a new creation in Christ Immersion inspired by a fresh translation the Common English Bible stands firmly on Scripture and helps readers explore the emotional spiritual and intellectual needs of their personal faith More importantly they ll be able to discover God s revelation through readings and reflections *Studies in the Psalms* Joseph Bryant Rotherham, 1980 *Ten Studies in the Psalms* John Edgar McFadyen, 1907 **Ten Studies in the Psalms (Classic Reprint)** John Edgar McFadyen, 2016-10-18 Excerpt from Ten Studies in the Psalms There is perhaps no part of the Old Testament which speaks so simply and directly to the universal heart as the Psalter Yet even the most familiar psalms come home to us with increased freshness and power when by sympathetic study we have traveled back to the world in which their writers stood and learned to look out upon it with their eyes The short studies in this volume are an attempt to interpret in this way a few of the psalms that deal with important aspects of the religious life and to show their vital bearing upon the life of to day In their doubts struggles and aspirations those ancient men are very near us and they speak to us with an accent that is strangely modern I have tried to make this plain in the course of the exposition and to illustrate their kinship with us by quotation from modern writers The treatment of the psalms here selected is expository But without Being didactic or homiletic I have at the same time sought to make it practically helpful by gathering up the study of each psalm in a series of personal questions which are intended both to carry the reader into the heart of the psalm and also to enable him to search his own inner life I desire here to express my obligation to Messrs Charles Scribner s Sons for their generous courtesy in allowing me to reprint from my volume on The Messages of the Psalmists in The Messages of the Bible Series the paraphrase of the psalms here selected for study About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Studies in the Psalms** Joseph Bryant Rotherham, 1911 **Studies in the Psalms** Samuel Rolles Driver, 1915 *Analytical Studies in the Psalms* Arthur G. Clarke, W. E. Vine, 1949 **Ten Studies in the Psalms** John Edgar McFadyen, 1907 **Analytical Studies in the Psalms** Artur Clarke, 2012-09 The book of Psalms touches the daily life of Christians and this book aims to continue to bring comfort and encouragement to believers **Studies in the Book of Psalms** William Swan Plumer, 1866 The Psalms are wonderful They have been read repeated chanted sung studied wept

over rejoiced in expounded loved and praised by God's people for thousands of years The most ancient of these productions is now 1866 three thousand three hundred and twenty six years old The least ancient of them is two thousand four hundred and fifty three years old The difference in date between the most ancient and the most modern of them is eight hundred and seventy three years They were all written in Asia so that we in this Western world can have no national pride respecting them Yet pious people here and all over the earth have found and can find no compositions more suitable for delineating their devout emotions and for expressing their pious sensibilities than those of inspired Psalmists If to any man these songs are unsavory the reason is found in the blindness and depravity of the human heart Hengstenberg The Psalms are expressions of holy feeling which can be understood by those only who have become alive to such feeling Other things being equal he who has the most heavenly mind will be the most successful student of the Psalms Introduction **Encountering the Book of Psalms (Encountering Biblical Studies)** C. Hassell Bullock, 2004-07-01 According to author Hassell Bullock No collection of poems has ever exercised as much influence on the Western world as the Book of Psalms The attraction for Jews Christians and others is surely the personal element that pervades these poems which describe the human situation in all its complexity Though the Psalms are perhaps the most familiar portion of the Hebrew Bible they are also among the most difficult to interpret As a result Bullock has created this guide to introduce students to the study and interpretation of the Psalms Encountering the Book of Psalms begins by examining literary and hermeneutical dimensions Bullock discusses the nature structure and authorship of the Psalter and provides readers with specific principles for interpretation He goes on to examine the use of Psalms in worship from the ancient world to the twenty first century He further explores how the psalmists used historical reflection to serve their theological purposes and he concludes by investigating different types of psalms e g praise lament and wisdom Like other volumes in the Encountering Biblical Studies series Encountering the Book of Psalms is designed for classroom use and includes a number of helpful features including chapter objectives and outlines sidebars charts and illustrations **Enjoying the Presence of God** David Martyn Lloyd-Jones, 1991-12 *Psalms* Sue Edwards, 2009-05-20 The latest edition of a timely commentary series from Bible teacher Sue Edwards Sue Edwards's Bible studies provide women with resources for both enriching personal Bible study and meaningful group discussion Each study offers three levels of questions so readers can personalize the content to their level In this newest six week study women of all ages will learn how these psalms teach relevant lessons about authentic worship A leader's guide is included in this multifaceted study of the psalms **Studies in the Book of Psalms** Lincoln Huley, 1906 *Then Sings My Soul* M. Koontz, 2007-11 If you have found the Psalms a source of comfort and strength you will love this treatment of the first thirty psalms Each psalm contains a commentary on the entire psalm not just a verse or two You will find the psalms like a mirror reflecting back to you experiences and emotions you yourself have had at one time or another That's why the message they carry is as up to date as the morning newspaper The psalmist has found his solutions in God and we may find ours there as

well There is an old song which goes Where could I go but to the Lord The psalmist sounds that note again and again The old gospel song puts it well On Christ the solid Rock I stand All other ground is sinking sand All other ground is sinking sand
