Studio 54 ,2015 In 1977 at the height of the disco craze a club opened at 254 West 54th Street in New York City Studio 54 was and arguably remains the world s most renowned and legendary disco Regularly attended by celebrities such as Andy Warhol Elizabeth Taylor Mick Jagger Bianca Jagger Jerry Hall Debbie Harry Grace Jones Michael Jackson Calvin Klein Elton John John Travolta Brooke Shields and Tina Turner the club fostered an atmosphere of unadulterated hedonism for New York s art and fashion set Hasse Persson and his camera were frequent club guests from 1977 80 The images he photographed there have become legendary capturing the club s famed revelers dancers in costume and general drunken exhilaration and yet incredibly Studio 54 marks the first time in history that they have seen publication Almost 35 years after the club s unceremonious and sudden closure this beautiful hardback volume superbly documents the zeitgeist Hasse Persson born 1942 has had a long career as a photojournalist Though Swedish born he spent nearly a quarter century from 1967 to 1990 working in New York He has published five books on America and his photographs have appeared in such publications as The New York Times Time Newsweek and Life He worked as the artistic director of the Hasselblad Center in Gothenburg and today he is the artistic director of Strandverket Konsthall in Marstrand Sweden House of Nutter Lance Richardson,2018-05-01 The strange illuminative true story of Tommy Nutter the Savile Row tailor who changed the silhouette of men s fashion and his rock photographer brother David who captured it all on film From an early age there was something different about Tommy and David Nutter Growing up in an austere apartment above a caf catering to truck drivers both boys seemed destined to lead rather humble lives in post war London Tommy as a civil servant David as a darkroom technician Yet the strength of their imagination plus a little help from their friends transformed them instead into unlikely protagonists of a swinging cultural revolution In 1969 at the age of twenty six Tommy opened an unusual new boutique on the golden mile of bespoke tailoring Savile Row While shocking a haughty establishment resistant to change Nutters of Savile Row became an immediate sensation among the young rich and beautiful beguiling everyone from Bianca Jagger to the Beatles who immortalized Tommy s designs on the album cover of Abbey Road Meanwhile David s innate talent with a camera vaulted him across the Atlantic to New York City where he found himself in a parallel constellation of stars Yoko Ono Elton John who enjoyed his dry wit almost as much as his photography House of Nutter tells the stunning true story of two gay men who influenced some of the most iconic styles and pop images of the twentieth century Drawing on interviews with more than seventy people and taking advantage of unparalleled access to never before seen pictures letters sketches and diaries journalist Lance Richardson presents a dual portrait of brothers improvising their way through five decades of extraordinary events their personal struggles playing out against vivid backdrops of the Blitz an obscenity trial the birth of disco and the devastation of the AIDS crisis A propulsive deftly plotted narrative filled with surprising details and near operatic twists House of Nutter takes readers on a wild ride into the minds and times of two brilliant dreamers **Studio**
