Keenan-Lindsay, Cheryl A Sams, Constance L. O'Connor, Shannon E. Perry, Marilyn J. Hockenberry, Deitra Leonard Lowdermilk, David Wilson, 2021-10-21 The new Study Guide for Perry's Maternal Child Nursing Care in Canada is designed to help you review and master content from the core text and learn how to think critically in applying your knowledge. Chapters parallel those in the text and provide review, critical thinking applications, engaging activities and more with an answer key at the back of the book. This comprehensive study guide also contains case studies to help you integrate information and develop the critical thinking, clinical reasoning and clinical judgement skills required to pass your licensure examination and excel in clinical practice. Thinking Critically case based activities require students to apply the concepts found in the chapters to solve problems, make clinical judgement decisions concerning care management and provide responses to patient questions and concerns. Reviewing Key Concepts questions in various formats give students ample opportunities to assess their knowledge and comprehension of information covered in the text. Matching fill in the blank, true false, short answer and multiple choice activities help students identify the core content of each chapter and test their understanding. Learning Key Terms matching and fill in the blank questions let students test their ability to define all key terms highlighted in the corresponding textbook chapter. Perforated pages allow you to use activities for graded assignments. Answer key at the end of the book includes answers to all questions.
