Communicating Christ in the Buddhist World David S. Lim, Paul H. De Neui, 2006 We issue this book amidst the challenges arising from the resurgence of religions in the various nations of the post modern world As Islamic fundamentalism grabs the headlines Buddhist fundamentalism has also been on the rise particularly in Southeast Asia mainly in reaction to the conversionist incursions of Islam and Christianity among them Over the last thirty years Buddhism has also seen growth in the West as its non dogmatic rationality offer of spiritual mentoring and opportunity for personal transformation have made it attractive to post modern society Are there both theological approaches as well as practical

strategies for evangelical Christians to use our evangelization efforts among Buddhists without any unnecessary problems to the increasing conflicts in the encounter of religions. We believe there are. This is the fourth and latest volume in the Buddhist World series which includes *Sharing Jesus in the Buddhist World*, *Sharing Jesus Holistically with the Buddhist World*, and *Sharing Jesus Effectively in the Buddhist World*. Compiled from papers presented at the annual SEANET Missiological Forum in Thailand, *Communicating Christ in the Buddhist World* delivers fresh insights from mission theologians and practitioners. The first four chapters reflect on the theological framework by which Christians can fulfill the biblical mandate to evangelize and transform peoples. The next five chapters consider the significant sociological issues that have arisen in the Christian encounter with Buddhist peoples. The final three suggest some strategic ways forward for effective evangelism in the Buddhist world. May this book challenge the international Christian community to find better ways of relating to and approaching people of other faiths.
