Lessenich,2012 Romanticism was not only heterogeneous and disunited It also had to face the hostile counter movement of the Enlightenment and Augustan Neoclassicism still going strong at the time of and in the decades following the French Revolution due to support from the ruling Establishment the ancien regime of the Crown and Church of England

Neoclassicists regarded Romanticism as a heteretical amalgam of dissenting new schools which threatened the monopoly of the Classical Tradition The acrimonious debates in aesthetics and politics were conducted with the traditional strategies of the classical ars disputandi on both sides Under the duress of the heaviest satirical attacks Romanticism began gradually to see itself as one movement giving rise to the problematic opposition of Classical and Romantic The construction of this rough divide however was indispensable for the clarification of different positions in the hubbub of conflicting voices and has also proved critical in literary and cultural studies which cannot do without such subsumptions The Classical Tradition encompassing Christianity emerges as an ongoing event from Greek and Latin antiquity running through to our time

**Philosophical Connections** Chris Townsend,2022-05-19 Neoclassical and Romantic verse cultures are often assumed to sit in an oppositional relationship to one another with the latter amounting to a hostile reaction against the former But there are in fact a good deal of continuities between the two movements ones that strike at the heart of the evolution of verse forms in the period This Element proposes that the mid eighteenth century poet Mark Akenside and his hugely influential Pleasures of Imagination represent a case study in the deep connections between Neoclassicism and Romanticism Akenside s

poem offers a vital illustration of how verse was a rival to philosophy in the period offering a new perspective on philosophic problems of appearance or how the world seems to be What results from this is a poetic form of knowing one that foregrounds feeling over fact that connects Neoclassicism and Romanticism and that Akenside called the imagination's pleasures     *The Romantic Imperative* Frederick C.
