Pollard,2024-04-18 How many people have coveted their neighbour s big premium bond win How many have thought how lucky someone is for winning big on the National Lottery How many do you think have just wished that they had more good luck in their lives Eight people have had all these thoughts What these eight people don t realise is that the quicker they use up their good luck the nearer they are to having a shed load of bad luck What they also don t realise is that once they have maxed out on good luck their ultimate outlook is not what they expect In more ways than they care to imagine Playing an on line game the eight finalists don t know that if they lose the game they die Something else they don t know is that if they win the game they die Either way they re dead Born in Sheffield in 1950 Bill is now retired and lives with Sheila his wife of over fifty three years In 1966 at the age of 15 he joined the army and enjoyed many overseas postings with tours in Northern Ireland France Cyprus Kenya Iran Bermuda and the USA He culminated his Army career in 1977 as an instructor at his regiment s depot Since leaving the army Bill has been a television and film extra and has been employed as a surveyor lecturer technical adviser to an insurer and just prior to retirement as a self employed health and safety consultant Bill is a published author and is also a published music composer and arranger *Orthodox Christianity and Gender* Helena Kupari,Elina Vuola,2019-10-17 The Orthodox Christian tradition has all too often been sidelined in conversations around contemporary religion Despite being distinct from Protestantism and Catholicism in both theology and practice it remains an underused setting for academic inquiry into current lived religious practice This collection therefore seeks to redress this imbalance by investigating modern manifestations of Orthodox Christianity through an explicitly gender sensitive gaze By addressing attitudes to gender in this context it fills major gaps in the literature on both religion and gender Starting with the traditional teachings and discourses around gender in the Orthodox Church the book moves on to demonstrate the diversity of responses to those narratives that can be found among Orthodox populations in Europe and North America Using case studies from several countries with both large and small Orthodox populations contributors use an interdisciplinary approach to address how gender and religion interact in contexts such as iconography conversion social activism and ecumenical relations among others From Greece and Russia to Finland and the USA this volume sheds new light on the

myriad ways in which gender is manifested performed and engaged within contemporary Orthodoxy Furthermore it also demonstrates that employing the analytical lens of gender enables new insights into Orthodox Christianity as a lived tradition It will therefore be of great interest to scholars of both Religious Studies and Gender Studies *Sister North* Jim Kokoris,2010-04-01 Shaken by tragedy a lawyer seeks spiritual guidance from a TV nun in this charmingly profound yet deviously humorous portrait of redemption and renewal Booklist Sam is an indifferent Chicago divorce lawyer content to drift though life on his good looks and his wife s money until a violent incident shatters his world Suddenly his only hope in life rests with Sister North a no nonsense nun who dispenses advice on TV So Sam embarks on a pilgrimage to her studio in Lake Eagleton Wisconsin Unfortunately Sam has been watching reruns Sister North has vanished and wild rumors abound As he awaits her return he becomes absorbed in the oddball life of Lake Eagleton and finds himself thinking more and more about the nun s mysterious personal assistant Meg In the followup to his acclaimed debut novel *The Rich Part of Life* Jim Kokoris delivers a funny touching story of forgiveness and hope Publishers Weekly **The Faith Seekers** Greg James,2017-06-21 God is dead Mother has killed him After the Religious World War the future Earth is left ravaged by the conflict between the religious and the secular world Forced underground the PORCs people of religious conviction inhabit subterranean caves and run secret cells to recruit others to their cause plotting and planning their revenge But the supercomputer who controls the world Mother has a force of brutal and deadly clones at her command to hunt them down and destroy them they are The Faith Seekers They say that Faith Seekers don t have souls that they are genetically engineered not to have one Faith Seekers are like tanks They are incredibly strong fierce and full of technology but rogue Faith Seekers Sunetra and Mandrake endure torture and horror in their fight to escape this savage and war torn Earth in their search for The Idyll a perfect world of freedom and happiness but does it exist or is it a fantasy like the heaven of long ago **Nun of This and Nun of That** Mary Hilaire Tavenner,2001-11-27 Visit the author s website at [www.DutchInk.com](http://www.DutchInk.com) After leaving her religious order in October of 1984 Hilaire had two ambitions to write a realistic book about convent life and to earn a Ph D from the University of South Florida Working full time as a teacher made her realize one of these ambitions would have to wait so after starting her book *Nun of This and Nun of That* she set it aside for the next eight years until she earned her doctorate Her novel spans almost ten years of religious life starting in 1963 when twenty five young women all enter a convent in Albany New York This is a story of all the girls but particularly three who enter live stay in and leave religious life for various reasons The author invites the reader into the secret cloisters of convent living beyond the front parlor once the only space available to visitors Every life experience is unique to every woman in religious life but the adventures and journeys of these three girls reveal the joys sorrows trials tribulations and triumphs of convent living during and after the Second Vatican Council Dr Tavenner calls her book realistic fiction though most of it is based on true stories Dr Tavenner living among her community members for almost twenty years and even while in the convent began the groundwork and outlines for this book
