Nursing Intake A Jhb Hospitals For 2016:

Mental Health: Intervention Skills for the Emergency Services Tricia Scott, 2023-03-28 This book addresses the practical management of mental health scenarios in the emergency setting and offers first hand reflections on how emergency nurses practitioners and allied mental health professionals handle these situations Responding to mental health needs in emergency situations can be profoundly complex Frequently emergency nurses and other personnel express their feelings of powerlessness as they do not know what to say or do in order to achieve the best outcome and have concerns that their intervention may make the situation worse for those in their care How a practitioner confronts the mental health encounter and takes the essential steps in managing the event can have a critical impact on how that person copes in the future This book helps readers understand what is involved in mental health work in emergency situations and the practical psychosocial and spiritual tensions that arise from managing the event and the sequelae Moreover it shows that it may be possible to provide a more effective emergency mental health service This unique edited book presents critical reflections on aspects of mental health work gathered from the hands on experiences of the personnel Mental health encounters in the emergency context are described in detail illustrating not only what emergency nurses and mental health workers do when mental health crises occur but also what they feel about what they do Written by a diverse team of emergency and mental health nurses and allied professionals currently engaged in emergency care both in hospital and pre hospital settings this book will appeal to emergency nurses and allied health professionals alike

Contingent Citizens Elizabeth Hull, 2020-05-27 Contingent Citizens examines the ambiguous state of South Africa s public sector workers and the implications for contemporary understandings of citizenship It takes us inside an ethnography of the professional ethic of nurses in a rural hospital in KwaZulu Natal shaped by a deep history of mission medicine and changing forms of new public management Liberal democratic principles of transparency decentralization and rights though promising freedom from control often generate fear and insecurity instead But despite the pressures they face Elizabeth Hull shows that nurses draw on a range of practices from international migration to new religious movements to assert new forms of citizenship Focusing an anthropological lens on professionalism Hull explores the major fault lines of South Africa s fragmented social landscape class gender race and religion to make an important contribution to the study of class formation and citizenship This prize winning monograph will be of interest to scholars of anthropology development studies sociology and global public health
