wasn't much left that could surprise her after serving as a forensic psychiatrist in East Salem And Tommy Gunderson has faced few challenges in his life that he couldn't overcome by either physical strength or his celebrity status But as they race to uncover what's really happening behind the high walls of St Adrian's Academy it becomes clear that supernatural forces have been at work here for generations And now their focus is on making sure Dani and Tommy don't interfere Fatal Tide In East Salem the elite St Adrian's Academy is at the nexus of a satanic apocalypse and the fatal tide is rising When Hieronymus Bosch's Garden of Earthly Delights is reunited with the pagans who commissioned it a dark prophecy begins to unfold in East Salem beginning with a savage double murder by hellish creatures straight out of the painting itself The lone survivor of the attack a seventeen year old Brit finds sanctuary at Tommy Gunderson's home and the place is soon surrounded by demons who seem to be biding their time but for how long A gripping plot intriguing characters supernatural underpinnings and a splash of romance make Waking Hours a fast paced and thoroughly enjoyable read I want the next book in the series now
