**Fuel Economy Guide** ,2007 **Manual on Printed Subject Indexes** Alan Wheatley,1978 Tai-shang Kan-ying Pien Daisetz Teitaro Suzuki,2020-09-28 IF the popularity of books must be measured by either the number of copies in which they appear or the devotion of their readers the T ai Shang Kan Ying P ien i e The Treatise of the Exalted One on Response and Retribution will probably have to be assigned the first place of all publications on the globe Its editions exceed even those of the Bible and Shakespeare which of all the books published in the Western world are most numerous and many millions of devout Chinese believe that great merit is gained by the dissemination of the book The T ai Shang Kan Ying P ien is a work of Taoist piety and ethics It is not so deep as Lao Tze's Tao Teh King but its moral maxims which are noble and pure are presented with a more popular directness The main idea of the title is expressed in the words Kan response and Ying retribution which mean that in the spiritual realm of heaven there is a response to our sentiments finding expression in a retribution of our deeds T ai Shang literally the

Grandly High or the Exalted One is a current name of Lao Tze the old philosopher author of the Tao Teh King who is revered by Taoists as the great teacher of mankind the superior man and the highest authority of religious truth Lao Tze s philosophy has percolated into the Chinese nation and we can distinguish three strata the first represented by the Tao Teh King the second by the T ai Shang Kan Ying P ien and the third by the stories appended to it The first is profound though partly obscure the second elevating yet mixed with those popular notions which belong to the domain of mythology and the third is devout in tone but sometimes silly in its details The text of the T ai Shang Kan Ying P ien consists of several parts 1 an introduction 2 moral injunctions 3 a description of evil doers and their penalty 4 sayings from various sources and 5 the conclusion Internal evidence suggests that we have before us a compilation in which we can distinguish at least three authors of decidedly different characters The introduction being itself a compilation and the passage Punishment of Evil Doers apparently come from the pen of the final redactor presumably a Tao Shih a Taoist scholar or priest while the second part Moral Injunctions constitutes the most valuable portion of the book The third part The Description of Evil Doers is written by a moralizer or even denouncer rather than a moralist Possibly nay even probably he is identical with the final redactor but scarcely with the author of the Moral Injunctions He has incorporated quotations from an unknown Taoist source e g the beautiful passage 1170 1198 and lines from the Buddhist Dhammapada 1210 ff
