## Important Safety Information: Read The Following Warnings Before You Or Your Child Play Video Games

### **WARNING - Seizures**

- Some people (about 1 in 4000) may have seizures or blackouts triggered by light flashes or patterns, such as while watching TV or playing video games, even if they have never had a seizure before.
- Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.
- Parents should watch when their children play video games. Stop playing and consult a doctor if you or your child have any of the following symptoms:

**Convulsions:  
Altered vision**

**Eye or muscle twitching:  
Involuntary movements**

**Loss of awareness:  
Disorientation**

- To reduce the likelihood of a seizure when playing video games:
  1. Sit or stand as far from the screen as possible.
  2. Play video games on the smallest available television screen.
  3. Do not play if you are tired or need sleep.
  4. Play in a well-lit room.
  5. Take a 10 to 15 minute break every hour.

### **WARNING - Repetitive Motion Injuries and Eyestrain**

Playing video games can make your muscles, joints, skin or eyes hurt after a few hours. Follow these instructions to avoid problems such as tendonitis, carpal tunnel syndrome, skin irritation or eyestrain:

- Avoid excessive play. It is recommended that parents monitor their children for appropriate play.
- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- If your hands, wrists or arms or eyes become tired or sore while playing, stop and rest them for several hours before playing again.
- If you continue to have sore hands, wrists, arms or eyes during or after play, stop playing and see a doctor.

## HARDWARE PRECAUTIONS / MAINTENANCE

1. Do not disassemble or try to repair the NINTENDO DS or components. Doing so voids your warranty.
2. Always slide the power button of the NINTENDO DS off before loading or removing a Game Pak. Insert the Game Pak completely without forcing either the Game Pak or the NINTENDO DS.
3. Do not store the NINTENDO DS in a humid place, on the floor or in any location where it may collect dirt, dust, lint, etc.
4. Do not drop, hit or otherwise abuse the NINTENDO DS or components.
5. Make sure all connections to the NINTENDO DS are made carefully and inserted into the correct locations only. Hold plugs straight when inserting them into a socket.
6. When disconnecting any plugs from the NINTENDO DS or wall outlet, first turn the NINTENDO DS off. Then carefully pull by the plug itself rather than by the cord. Do not tug on, sharply pull or bend any wires or cables.
7. Do not expose the NINTENDO DS, Game Paks or any of the NINTENDO DS components to extreme heat or cold. The liquid crystal display (LCD) may become slower or may not work when the temperature is low. The LCD will deteriorate at a high temperature. Take care not to expose the NINTENDO DS to direct sunlight for extended periods of time.
8. The LCD may be damaged by sharp objects or pressure. Take great care to protect the display from scratches or stains.

NINTENDO DS

INT-USA

## INSTRUCTION BOOKLET

9. Connect **ONLY** special accessories designed for use with the NINTENDO DS to the AC ADAPTER Connector.
10. Do not spill liquids on the NINTENDO DS, Game Paks or any other of the NINTENDO DS components. To clean, use a soft, slightly damp cloth. Allow the component to dry completely before using again. (Use water only.)
11. Do not rapidly turn the power switch on and off, as this may shorten the life of the batteries and cause battery backed-up Game Paks to lose your stored game information.
12. For the best game image, look directly at the NINTENDO DS display from the front and operate only in a good light.
13. To avoid dirt or dust from getting into the NINTENDO DS, always leave a Game Pak loaded (with the power off), when not in use.
14. When using an AC adapter, make sure you are using the correct model appropriate for your NINTENDO DS. Always unplug the AC adapter from the wall outlet when not in use.

## GAME PAK PRECAUTIONS / MAINTENANCE

1. Avoid touching the connectors with your fingers. Do not blow on them or allow them to get wet or dirty. Doing so may damage the Game Pak and/or the NINTENDO DS.
2. The Game Pak is a high precision piece of electronics. Do not store it in places that are very hot or cold. Do not hit, drop or otherwise abuse it. Do not take it apart.
3. Do not clean with benzene, paint thinner, alcohol or any other solvent.
4. Always check the Game Pak edge connector for foreign material before inserting the Game Pak into the NINTENDO DS. To prevent the edge connectors from becoming dirty, we recommend that you regularly use the NINTENDO DS Cleaning Wand. (Sold separately. Visit our on-line store at [www.nintendo.com](http://www.nintendo.com) or call 1-800-255-3700.)

## Cautions Related to Wireless Functionality

### COMPLIANCE WITH FCC REGULATIONS

1. Do not use wireless multiplayer in crowded areas such as bars. Someone nearby may be using a heart pacemaker.
2. When you are using wireless multiplayer, keep at least 20cm from anyone who is using a heart pacemaker.
3. Turn the power OFF in areas where the use of electrical devices or wireless devices is prohibited, such as airports, hospitals and the like.
4. Using this machine in wireless multiplayer mode near equipment that is a source of radio interference (wireless LAN, mobile phone, cordless telephones, etc.) could interfere with the operation of those devices.

### FCC Notice

### COMPLIANCE WITH FCC REGULATIONS

#### RF Radiation Exposure Statement:

In order to comply with FCC radio-frequency radiation exposure guidelines for an uncontrolled exposure, this device and its antenna must not be co-located or operating in conjunction with any other antenna or transmitter.

Under FCC rules, changes or modifications to this product not expressly approved by the manufacturer could void the user's authority to operate this product.

### IC Notice

### COMPLIANCE WITH IC REGULATIONS

Operation is subject to the following conditions: (1) This device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

The Term "IC:" before the certification/registration number only signifies that the Industry Canada technical specifications were met.
