**Supporting Activist Practices in Education** Ramsay-Jordan, Natasha N., Crenshaw, Andrea N., 2024-02-27 In today's educational landscape a pressing issue looms deeply entrenched within the system are the prevailing cultural norms that have historically perpetuated the dominance of white middle class values This has in turn marginalized and stigmatized traditionally underrepresented student cultures as inherently deficient As the United States educational system grapples with a dramatic increase in low income non white and linguistically diverse students now is the time to confront these inequalities that undermine student achievement This challenge has thrust teachers into the forefront compelling them to embrace social justice practices in their classrooms as counternarratives Supporting Activist Practices in Education emerges as a timely and essential solution to address this educational conundrum Within the pages of this book a compelling narrative unfolds one that delves deep into the experiences of educators who actively employ teaching as a form of activism transcending traditional norms Teaching through activism as defined in this volume represents the courageous actions of educators who

champion participatory citizenship for social justice within their classrooms nurturing environments that foster critical thinking about the world This book emphasizes the imperative of challenging and dismantling systemic injustices and it underscores the pivotal role of social justice as a framework for effective pedagogical practices Alphabet Connections Teacher's Resource Guide ,2013-07-01 This teacher resource book provides instructional strategies activities graphic organizers and assessments to accompany the 26 Alphabet Connections in the Alphabet Connections series Non fiction writing vocabulary development and tips for differentiating instruction are also included *Number the Stars* by Lois Lowry Rachel Tolman Terry,2014-01-31 This homeschool literature unit study does NOT include the original book *Number the Stars* by Lois Lowry You can obtain the original book through your local library or through retailers to use in conjunction with this curriculum Grade Levels 3 7 Themes War Courage Friendship Religious Freedom Unit Projects Essay Diorama Social Studies Project World War II Dictionary Creative Writing Project Schedule 3 Schedules Included 2 Three week Schedules and 1 Two week Schedule Tolman Hall Literature Unit Studies are designed to give you the flexibility to design your own curriculum based on your children s interests while still providing a solid foundation in literature If used as designed your children will learn and understand the literary concepts essential for doing well on standardized tests such as the SAT Literature Subject Test and the ACT Reading Test Even more important Tolman Hall Literature Studies will open your students eyes to ideas concepts and deeper meanings that they may previously have skimmed over in cursory literature studies and in their reading for pleasure Each Unit Study provides background information about the author several possible unit study schedules a plot overview and individual lessons The lessons each contain a reading assignment a summary and analysis of the assignment a vocabulary lesson a reading quiz and short essay questions Depending on your needs and schedule you can customize the lessons to fit your students needs As the teacher you can read along with your students or if you re short on time you can keep up by simply reading the summaries and analyses of each lesson which give enough information for you to discuss the assignment with your student Many homeschooling parents teach more than one student at a time and with Tolman Hall Unit Studies you can teach the same work of literature at several grade levels For instance you could assign the same reading to students in grades 7 and 9 but assign the 9th grader more difficult writing assignments and more mature end of unit projects In this way your whole family can discuss the same books and authors while still meeting grade appropriate requirements Written by Newbery Winner Lois Lowry *Number the Stars* gives children a child sized view of the Holocaust from the perspective of a ten year old Danish girl named Annemarie Johansen When Annemarie s best friend is targeted by the Nazis she has to step out of her comfortable world and be as brave as the Resistance fighters and mature adults around her
