Dear **[Recipient Name]**,

I am reaching out to convey my enthusiastic interest in the Nursing Residency Program at your renowned institution, as advertised, driven by my deep passion for patient care, strong educational background, and dedication to lifelong learning, and I am eager to contribute to your program.

Currently, I am a recent graduate from a Bachelor of Science in Nursing (BSN) program. During my academic journey, I gained valuable hands-on experience through clinical rotations at various healthcare facilities, where I honed my skills in patient assessment, medication administration, and care planning under the guidance of experienced nursing professionals.

What sets me apart as a candidate is my unwavering dedication to providing compassionate and evidence-based care to patients. I believe in continuous professional growth, which is why I am eager to join your Nursing Residency Program to further enhance my clinical skills, expand my knowledge in specialty areas such as pediatrics and critical care, and collaborate with a multidisciplinary team to deliver exceptional healthcare services.

Enclosed is my resume, which provides more details about my academic achievements, clinical experiences, certifications, and professional affiliations. I am confident that my background and enthusiasm for nursing make me a strong candidate for your program.

Thank you for considering my application. I am looking forward to the opportunity to discuss how my skills and aspirations align with the goals of the Nursing Residency Program.
