To Whom It May Concern,

I am please to write this letter of recommendation for Heather Tunell. I have known and worked with Heather in both a didactic class and clinical setting as her instructor at Davenport University in Grand Rapids, Michigan. I am writing this letter of recommendation to confirm how excellent her academic record and skills have been. It has been a pleasure having her in my class.

Heather is a professional nurse with a sense of integrity. She is organized and comes well prepared. Heather is able to handle pressure well with numerous timetables for projects. She possesses excellent skills working with staff members and classmates. She holds admirable work ethics. She is a great team member and has received many compliments from both students and nursing staff. She has leadership skills to which she has showed in different situations both in the classroom, the lab setting, and clinical rotations.

In addition to her regular classroom studies, Heather was nominated the Student Nurse Association (SNA) president. Heather has shown true leadership abilities.

Heather is an invaluable asset to the medical field and I highly recommend her for any position in nursing that she desires. If you'd like to discuss her attributes in more detail, please don't hesitate to contact me.

Sincerely,

Professor Marlene M. Berens, RN, MSN, FNP-BC
