ENT MCQs for Medical Students Gurdeep Singh Mannu, Tunde Odutoye, 2019-06-26 Ear Nose and Throat ENT surgery has traditionally been a difficult and specialised topic in undergraduate medicine and for junior doctors. Many textbooks are too detailed for undergraduate use or lack self assessment questions to help those wishing to underpin their learning. This concise and easy to read self assessment guide aims to clarify the topic and find and fill gaps in understanding. The multiple choice questions MCQs contained cover all levels of knowledge and the learning objectives of most of the UK medical school curricula aiding preparation for end of unit module and final exams for ENT. This book will be a valuable companion for clinics and teaching sessions and an indispensable revision primer for graduate entry medical curricula. An excellent means of preparation for medical undergraduate examinations as gaps in core knowledge are quickly revealed. Further, this text is a good guide for students to identify those subject areas requiring more focused study especially when time is short. From the Foreword by Samir Soma. Advanced ENT MCQs Peter Kullar, Jameel Muzaffar, Joseph Manjaly, 2025-01-03 Providing over 400 high quality MCQs in the style of the Part 1 FRCS ORL HNS together with clear explanations of not only the correct answer but also a structured way of approaching questions, this revision guide enables exam candidates to prepare for the FRCS ORL HNS Section 1 exam with confidence. The questions and answers reflect the new approach to the exam and its focus on higher order judgement and testing real world clinical decision making. Questions are presented as a common stem with five possible answers, one of which will be the most correct answer, a single best answer. The stem is carefully written so that every word should help guide candidates to the correct answer. None of the answers will be obviously wrong or dangerous. The candidate must recognise that a single best answer is not the same as a single correct answer. In many of the questions, all the presented answers could be considered correct, but the candidate must choose the best or most appropriate answer from those available. Written by an expert author team who have provided valuable insights and expert content to ensure the book's authority. The content is suitable for exam candidates from the UK and for International ENT trainees preparing to sit the FRCS ORL HNS exam. It is also applicable for candidates preparing for the DOHNS MRCS ENT exam.

MCQs for ENT Stuart Winter, Declan Costello, 2019-09-06 MCQs for ENT Specialist Revision Guide for the FRCS is a key resource for candidates preparing to sit the FRCS ORL HNS.
