

Nursing reflective journal sample

As I conclude my Capstone course, there are various BSN program outcomes that I feel very confident in. One of them is in respect to my skills in utilizing patient care based technologies as well as information systems besides clinical based support tools in the promotion of secure nursing practice and attaining enhanced patient outcomes. For instance, I am now capable of utilizing electronic health records (EHRs) in the storing of patients' information and data. These EHRs entail patient-centered records that are capable of providing patient's data in real time and secure manner (Kruse et. al, 2018). They are also not highly error prone like the manual records previously ...
