Health Policy Reform Learn how to influence policy and become a leader in today's changing health care environment. Featuring analysis of cutting edge healthcare issues and first person insights Policy Politics in Nursing and Health Care 8th Edition continues to be the leading text on nursing action and activism. Approximately 150 expert contributors present a wide range of topics in policies and politics providing a more complete background than can be found in any other policy textbook on the market. This expanded 8th edition helps you develop a global understanding of nursing leadership and political activism as well as the complex business and financial issues that drive many actions in the health system. Discussions include the latest updates on conflict management, health economics, lobbying, the use of media, and working with communities for change. With these innovative insights and strategies, you will be prepared to play a leadership role in the four spheres in which nurses are politically active: the workplace, government, professional organizations, and the community. Comprehensive coverage of healthcare policies and politics provides a broader understanding of nursing leadership and political activism as well as complex business and financial issues. Key Points at the end of chapters help you review important need to know lesson content. Taking Action essays include personal accounts of how nurses have participated in politics and what they have accomplished. Expert authors make up a virtual Nursing Who's Who in healthcare policy, sharing information and personal perspectives gained in the crafting of healthcare policy. NEW The latest information and perspectives are provided by nursing leaders who influenced health care reform, including the Affordable Care Act. NEW Added information on medical marijuana presents both sides of this ongoing debate.
