Nursing Unit Scavenger Hunt

Mary Miller, Deborah Wirwicz

Nursing Unit Scavenger Hunt:

You CAN Teach Med-Surg Nursing! Mary A. Miller, Mary Miller, RN, MSN, CCRN, Deborah Wirwicz, BSN, MSN.Ed, Deborah C. Wirwicz, 2014-07-29 Print CourseSmart *You CAN Teach Advanced Med-Surg Nursing!* Mary Miller, Deborah Wirwicz, 2014-08-18 This is the first comprehensive resource for clinical medical surgical nursing instructors responsible for guiding students through their entire clinical rotation Filling a huge gap in resources for instructors required to teach the medical surgical nursing course it contains everything the new or adjunct instructor needs to teach expertly and confidently The guide features a week by week instructional plan for the clinical rotation and includes all materials necessary to effectively perform administrative leadership and supervision assess students knowledge and learning styles maximize the learning process simplify evaluation and help ensure a smooth transition to clinical practice The guide will serve as a welcome companion to both experienced and novice medical nursing instructors with its week by week instruction guide that encompasses organizational teaching templates teaching and learning resources and evaluation materials These include everything from the Adjunct Faculty Contract to the Course Syllabus to a Comprehensive Skills Checklist Key clinical instruction materials including PowerPoints and simulation scenarios are provided for each body system Additionally the book contains quizzes with answers discussion questions and interactive student activities and exercises Key Features Comprises the first complete resource for successfully guiding students through their clinical rotations from start to finish Helps to allay the fear factor for new and adjunct clinical nursing instructors Provides a week by week instructional guide that includes organizational teaching templates teaching and learning resources and evaluation aids Includes numerous forms and templates to facilitate administrative responsibilities student assessment and student evaluation Key clinical information is organized by body system and includes multiple interactive teaching tools **How to Get Families More Involved in the Nursing Home** Tammy La Brake, 2014-04-23 Health care providers and social workers at nursing homes may feel they have little time to design programs for the family members of their residents yet you will learn in How to Get Families More Involved in the Nursing Home that the benefits of such programs are immense and the time investment will pay off You learn of four family programs that can be put into use immediately or can be changed or expanded to fit the needs of an individual setting In addition you will witness how educational workshops support groups family councils and holiday socials increase family involvement in the nursing home which in turn improves the quality of care and life that long term residents experience In the daily bustle of trying to meet the needs of all residents staff members do not generally have time to devote to family members who often feel awkward during their visits and do not realize their help would be welcomed Nursing home coordinators and social workers can use the model support groups and workshops this book provides to open the lines of communication between staff and families and enable them to work together to assess and meet residents needs Implementation of these programs encourages families to take an active role in the operation of the nursing home and to

participate in the decisions and events that affect the residents lives How to Get Families More Involved in the Nursing Home provides easy step by step procedures for the installation of family programs without overtaxing social workers and directors already under pressure In addition to the four model programs developed and presented by author Tammy LaBrake a Public Health Social Work Consultant this book examines research findings on the lack of family participation in nursing homes despite the offering of family programs You learn how to overcome barriers to communication and collaboration between staff members and family members and capitalize on the amount of participation that does exist within a nursing home You also learn how to convey to families that they are equally responsible for the well being of their resident and that their input and assistance are necessary to correct problems that cannot be remedied by staff members alone Finally How to Get Families More Involved in the Nursing Home demonstrates that workshops social gatherings and councils do contribute to the formation of a community where family members and staffers find the mutual support necessary to provide excellent health care and soften the institutional atmosphere

The Role of the Preceptor Jean Pieri Flynn, Madonna C. Stack, 2006 This book contains two new chapters on preceptorship in home care settings and distance learning programs It exemplifies the second edition of this how to guide for nursing faculty and clinicians Flynn and Stack provide a useful and easy to follow framework for not only developing and implementing preceptor programs but also for learning how to precept students and facilitate the development of nursing expertise in both preceptors and preceptees This second edition includes information on precepting mentoring and teaching a model preceptor program which includes charts tables and a special section on internships residencies and mentoring in the nursing program Overall the concept of how preceptorship aids in nursing education is shown throughout this book Provided by the Publisher
