Practicing The Wisdom of Children Our Book Two: For Sharing Unconditional Love & Nurturing True Friendship Wil Coulson, 2019-08-25 William Bill Coulson experienced the reality of The Wisdom of Children in his everyday life as a young child whenever he received unconditional love or forgiveness especially when he did not deserve it from a childhood friend a family member or one of his teachers who continued to offer him wonderful opportunities for fun adventures during his childhood in a small rural farming community in Nova Scotia Canada A quote from Bill When I became an adult I began to understand how it is possible to relive the powerful unconditional love of my childhood by embracing the love from everyone everything around me as I once did when I was a child when I intuitively understood that the primary purpose of my life is to share unconditional love nurture true friendship with my friends family The wisdom I learned as I reconnected with my childhood ability to love life passionately enabled me to help other adults to kill the pain suffering in their lives that was preventing them from feeling the continuous love peace joy compassion of their childhood during each moment of every day of their future adult lives This is why I wrote our book called Practicing The Wisdom of Children with the help of my son so I could leave a legacy of wisdom for my friends family and my future grandchildren so they will become able to protect their childhood ability to love life passionately and not lose it as I did and then have to find it again And now this desire to help other human beings has expanded to include you the reader of our book who will benefit from practicing this wisdom as you begin sharing the increasing unconditional love that this wisdom will bring into your future life When we are born each of us is given a compelling desire to seek a unique special purpose for our life that motivates us to start asking

questions about the meaning of our lives on Earth whose answers will help us to understand why each of us is given this opportunity to live a potentially wonderful human life as we begin to ask answer these questions Who am I Where did I come from Why am I here on Earth What is my life s purpose Your life s purpose may be different from mine but I know from my personal experience that fully reconnecting to your childhood ability to live your life with wonder excitement intrigue puzzlement and the profound satisfaction of loving everyone everything around you will add powerful childhood passion to your adult life Fortunately The Wisdom of Children helps us to embrace our childhood ability to love life passionately as we share ever increasing unconditional love forgiveness with our friends family and as we fulfill the unique special purpose for each of our lives which makes us worthy of living on Our Precious Mother Earth

Sutton,2020-09-24

DISCIPLINE WITH RESPECT is a challenge to look beyond the day to day activities of raising children to consider what children must learn to become mature responsible young adults It is only when considering adulthood that all the encouragements coaching rules guidance and re directions make sense Discipline is education To accomplish our task we must be well equipped and committed to an educational program that will help children meet their life goals But there s more to child discipline than techniques Discipline with respect means developing a respectful loving relationship with children *Compassionate, Engaged Parenting As 'a Help to Life'* Nelunika Gunawardena Rajapakse,2012-08-14 By the author s discretion this version has been created exclusively for the use of extended channels marketing It is recommended that direct orders are placed under the originally published edition of June 10 2012 *Compassionate Engaged Parenting as a Help to Life* is a plea on behalf of today s child which closely examines our sacred role of parenthood It is a penetrating presentation of what it means to be a holistically informed parent in a world of confused ideals diverse offerings opportunities and possibilities In light of the poignant truth that the author states insightfully Tomorrow s humanity is about today s child following the footsteps of the parent it must be every parent s bounden duty to safeguard the institution of parenthood aimed at elevating the position of today s child the builder and the architect of humanity The message here is a call for the exercise of tireless affection and time sensitive attention on the parent s part as life models and mentors of a precious developmental being from the very inception of life to its culmination Consequently a cultivated way of life informed by humility and engaging interaction with the child may truly bring about lasting peace and joy for all thus serving humanity for generations to come A deep reverence towards the child who awaits phase appropriate nourishment and nurturing in body mind spirit is urged throughout the pages of this book It elucidates the importance of modeling life by way of compassionate wisdom in thought word and deed Ultimately peace and success in life it is held becomes the direct reflection of irrevocable life experience hands on it overshadows all other forms of knowledge Thus a child s heart is best touched solely by means of unconditional LOVE demonstrated with respectful passion and sensitivity towards both self and the other In a world that continues to experience the ripple effects of human conditioning and choice making a change is possible only at the level of the grassroots the family Accordingly our human purpose may be fully achieved through compassionate engaged parenting as a help to life This fulfills a child s eternal cry for LOVE by means of time invested parental attention In sum neither confused materialism nor other diversions and distractions contribute to the healthy formation of personality Knowledge its distillations and abstractions by way of originality and creativity may only be grounded upon direct experience of the five senses All in all this book offers the timeless wisdom of selflessness as opposed to selfishness for parenting with

mission and purpose It is a stimulating exposition of the ageless truth of compassion that underlies our natural human experience that is our lasting endowment of knowledge and expression
