*The New Southern Garden Cookbook* Sheri Castle, 2011-04-30 In *The New Southern Garden Cookbook* Sheri Castle aims to make what's in season the answer to what's for dinner. This timely cookbook with dishes for omnivores and vegetarians alike celebrates and promotes delicious healthful homemade meals centered on the diverse array of seasonal fruits and vegetables grown in the South and in most of the rest of the nation as well. Increased attention to the health benefits and environmental advantages of eating locally. Castle notes is inspiring Americans to partake of the garden by raising their own kitchen plots, visiting area farmers markets and pick your own farms and signing up for CSA Community Supported Agriculture boxes from local growers. *The New Southern Garden Cookbook* offers over 300 brightly flavored recipes that will inspire beginning and experienced cooks southern or otherwise to take advantage of seasonal delights. Castle has organized the cookbook alphabetically by type of vegetable or fruit, building on the premise that when cooking with fresh produce the ingredient, not the recipe, is the wiser starting point. While some dishes are inspired by traditional southern recipes, many reveal the goodness of gardens in new contemporary ways. Peppered with tips, hints and great stories, these pages make for good food and a good read.

*The Lost Recipes* Ross Dobson, 2024-10-29 A glorious endeavour. Nigella Lawson Over 90 rediscovered and revived Australian classics, thrifty no-waste recipes from a time that honoured seasonal, locally grown ingredients and truly understood the value of food as comfort. Nostalgic, yes, but completely relevant to today's kitchens. Chef and bestselling cookbook author Ross Dobson has a hobby: scouring old journals, newspapers and books for Australia's forgotten recipes. While his research has revealed some shockers not worth repeating, he has come across many more worthy dishes that are missing from the repertoire of modern-day cooks. In *The Lost Recipes*, he sets about righting this culinary injustice by presenting a selection of bygone gems, savoury and sweet, dating from the Victorian era through to the 1950s, all of them rescued, researched, tested and updated by Ross. Threaded throughout are handy tips: celery leaves dried in the oven and then ground with salt make a seasoning with endless uses, especially good on roasted potatoes and insights into old-fashioned cooking techniques and ingredients deserving of revival. Among these once-forgotten recipes, you will find mushroom ketchup (1886), hot slaught (1876), olive anchovy salad (1921), devilled whitebait (1938), Sunday Chinese chicken (1949), brisket with macaroni (1915), golden billy bread (1925), pumpkin brownies (1939), cream lilies (1954), green tomato pineapple jam (1933). There isn't one recipe in this book that wasn't in essence once a lovely idea. It has been a privilege and joy to bring them back to life and in a workable condition.
