Shuman,2000 *Favorite Dishes* is a celebrity cookbook of autographed recipes accented by portraits of the distinguished contributors that was compiled on

the occasion of the 1893 World's Columbian Exposition in Chicago. It is a handsome sourcebook on nineteenth century cookery as well as a testament to the desire of well educated well placed women to use their position for social good. It is also a prime example of the genre of charitable cookbooks that began after the Civil War and extends to today's Junior League community cookbooks. The world's fair in Chicago was the first event of its kind that offered women a conspicuous and responsible role. A Woman's Building was designed by a woman architect decorated with the statues and paintings of prominent women artists and overseen by a Board of Lady Managers comprised of 115 wives and daughters of prominent political and business leaders from every state and territory. Carrie Shuman approached the president of this unprecedented body Bertha Honor Palmer with the idea of producing a charitable cookbook endorsed and autographed by the Lady Managers of their prize recipes. The books would be offered to women of limited means women who dreamed longingly and hopelessly of the Exposition who could sell them to raise money to cover the expense of a visit to the fair. This reissue of Favorite Dishes is set off by a pair of new introductions. Reid Badger discusses the phenomenon of world's fairs and the particular success and significance of the 1893 Exposition in Chicago. Bruce Kraig examines the culinary significance of the book and sets it in the context of the era's food standardization changing cooking technology recipe book conventions and social practices.

The Food and Drink of Seattle Judith Dern, 2018-08-10 Offers a comprehensive exploration of Seattle's cuisine from geographical historical cultural and culinary perspectives. From glaciers to geoducks from the Salish Sea with swift currents sweeping wild salmon home from the Pacific Ocean to their original spawning grounds to settlers immigrants and restaurateurs Seattle's culinary history is vibrant and delicious defining the Puget Sound region as well as a major U.S. city. Exploring the Pacific Northwest's history from a culinary perspective provides an ideal opportunity to investigate the area's Native American cooking culture along with Seattle's early boom years when its first settlers arrived. Waves of immigrants from the mid 1800s into the early 1900s brought ethnic culinary traditions from Europe and beyond and added more flavor to the mix. As Seattle grew from a wild frontier settlement into a major twentieth century hub for transportation and commerce following World War II its home cooks prepared many All American dishes but continued to honor and prepare the region's indigenous foods. Taken altogether and described in the pages of this book it's quickly evident few cities and regions have culinary traditions as distinctive as Seattle's.
