New York Times Magazine ,2010 *A Wider Type of Freedom* Daniel Martinez HoSang,2023-07-04 In Where Do We Go From Here 1967 Dr Martin Luther King Jr described racism as a philosophy based on a contempt for life a totalizing social theory that could only be confronted with an equally massive response by restructuring the whole of American society This book provides a survey of the truly transformative visions of racial justice in the United States an often hidden history that has produced conceptions of freedom and interdependence never envisioned in the nation s dominant political framework This book brings together the stories of the social movements intellectuals artists and cultural formations that have centered racial justice and the abolition of white supremacy as the foundation for a universal liberation Daniel Martinez HoSang taps into moments across time and place to reveal the long driving force toward this vision of universal emancipation From the abolition democracy of the nineteenth century and the struggle to end forced sterilizations to domestic worker organizing campaigns and the twenty first century s environmental justice movement we see a desire to realize the antithesis of a philosophy based on a contempt for life These movements emphasized transformations that would liberate everyone from the violence of militarism labor exploitation degradations of the body and elite dominated governance Rather than seeking equal rights within such failed systems they generated new visions that embraced human difference vulnerability and interdependence as central and productive facets of our collective experience c Provided by the publisher **Can**

Journalism Be Saved? Rachel Davis Mersey,2010-08-06 This book challenges the once dominant social responsibility model and argues that a new individual first paradigm is what will allow journalism to survive in today s crowded media marketplace By some measures it would seem that print journalism is dying Journalism recently suffered one of its worst circulation declines in years a drop of more than ten percent in the a six month period ending September 30 2009 The Rocky Mountain News in Denver CO closed its doors in 2009 after it dominated the AP awards in 2008 and was lauded for an investigative expose on unfair treatment of former nuclear workers Even the New York Times and the Washington Post are experiencing financial trouble But print advertising revenue still trumps online advertising revenue ten fold Is there hope yet for traditional journalism This book reviews the complicated challenge facing journalism tracing its 19th century community oriented origins and documenting the vast expansion of the news business via blogs and other Internet enabled outlets user generated content and news like alternatives The author argues that a radical shift in mindset striving to meet each individual s demands for what he wants to know will be necessary to save journalism The Perils of Perfection Joseph

Vukov,2023-05-20 Are you left dizzy by the vast array of new technologies Skeptical about the latest Silicon Valley craze being worth the hype yet wary of those who would throw these technologies to the curb Me too This book seeks to avoid landmines in our quest for perfection while offering strategies for evaluating both the possibilities and the limits of human enhancement Think of it as a guide for navigating the perils of perfection while embracing the fullness of human dignity

Yajé Jimmy Weiskopf,2005 The unique path to both health and spiritual illumination offered by the consumption of yaj a

hallucinogenic herb embedded in the indigenous Amazonian cultures of Colombia Brazil and Peru is thoroughly documented in this account of the culture and traditions that have developed around its use The intensity of yaj induced trances provoked the author to name them the new purgatory and resulted in this text s respectful and hard earned insights into indigenous ritual and shamanic guidance A complete survey of yaj ceremonies recent botanical and anthropological research on yaj records of scientific and medical studies its social psychological and ethical boundaries and a look at past attempts to adapt the ancient ceremony to contemporary therapeutic and religious purposes are also provided
