The Sullivanians Alexander Stille, 2023-06-20 FINALIST FOR THE 2024 GOTHAM BOOK PRIZE The devolution of the Sullivan Institute from psychoanalytic organization to insular radical cult In the middle of the Ozzie and Harriet 1950s the birth control pill was introduced and a maverick psychoanalytic institute the Sullivan Institute for Research in Psychoanalysis opened its doors in New York City Its founders Saul Newton and Jane Pearce wanted to start a revolution one grounded in ideals of creative expression sexual liberation and freedom from the expectations of society and the revolution they felt needed to begin at home Dismantling the nuclear family and monogamous marriage would free people from the repressive forces of their parents In its first two decades the movement attracted many brilliant creative people as patients the painter Jackson Pollock and a swarm of other abstract expressionist artists the famed art critic Clement Greenberg the singer Judy Collins and the dancer Lucinda Childs In the 1960s the group evolved into an urban commune of three or four hundred people with patients living with other patients leading creative polyamorous lives But by the mid 1970s under the leadership of Saul Newton the Institute had devolved from a radical communal experiment into an insular cult with therapists controlling virtually every aspect of their patients lives from where they lived and the work they did to how often they saw their sexual partners and their children Although the group was highly secretive during its lifetime and even after its dissolution in 1991 the noted journalist Alexander Stille has succeeded in reconstructing the inner life of a parallel world hidden in plain sight in the middle of Manhattan Through countless interviews and personal papers *The Sullivanians* reveals the nearly unbelievable story of a fallen utopia

Divalution Deborah St. Hilaire, 2012-10-31 A humorous yet poignant take on the issues and attitudes that encumber today's women *Divalution* is full of quips and short stories based on the authors personal experiences and observations some are funny others sad all will touch you Deborah shares her insight on how women have failed themselves and each other She offers *The Divalution* as a way to unite and grow It is a must read if you have ever had a mother raised a child had a friend or been in a relationship

Murder of Innocence Joel Kaplan, George Papajohn, Eric Zorn, 2017-03-08 Early on a May morning in 1988 Laurie Dann a thirty year old profoundly unhappy product of the wealthy North Shore suburb of Chicago loaded her father's car with a cache of handguns incendiary chemicals and arsenic laced food Driven by fear and hate she was going to make something terrible happen Before the end of the day Dann had blazed a murderous trail of poison fire and bullets through the unsuspecting town of Winnetka Illinois and other North Shore suburbs She murdered an eight year old boy and critically wounded 5 other children inside an elementary school It finally took a massed force of armed police to end the killing The shocking story of innocence destroyed by a rich young babysitter inexplicably gone mad made headlines all across the nation and inspired at least two psychotic killers to follow her example What led her to do it Could she have been stopped The case raised a host of agonizing questions that have remained unanswered until now In this book three Chicago Tribune reporters who covered the Laurie Dann tragedy have

pulled together all the available police evidence unearthed valuable psychiatric information and interviewed at length scores of people who knew Dann many of whom had never before spoken to the media about this case Despite clear and ominous warning signs a young woman of beauty and privilege was allowed to deteriorate and go slowly berserk and no one stopped her Her parents her doctors and the police officers who knew her pathological behavior all failed her at critical times By its passivity and silence a community comfortable and quiet on the surface yet reluctant to admit its underlying flaws became an unwitting accomplice to the final rampage of Laurie Dann MURDER OF INNOCENCE is a searing portrayal of a family and a society unable to cope and of a young woman who wanted all too desperately only to be loved **The Amicable Divorce**

spent one step behind whether it was as a high school student new to America a suddenly single mother to two kids remarried and juggling two teens and a toddler or the unexpected recipient of Oprah's attention and investment *Hold On But Don't Hold Still* is the book every mother needs to reassure her that she's not only fine just as she is but that she already has more tools and support than she can possibly imagine Sparkling with wit this heartfelt memoir is like a long coffee date with a best friend or the eleventh hour text message that gives you just the boost you need to get through the night *The Huffington Post* A VIKING LIFE TITLE Dating Disasters Emma Richardson, Maya Chen had always believed that coffee shops were safe spaces for first dates They were public casual and offered multiple escape routes if things went south What she hadn't anticipated was that the coffee itself might become a weapon of romantic destruction She arrived at Brew Bean fifteen minutes early as was her custom Maya was nothing if not punctual a trait that her best friend Zoe often claimed would either land her the perfect husband or drive away every potential suitor in the greater Seattle area Today she wore her lucky burgundy sweater and had spent forty five minutes perfecting what she called effortlessly tousled hair which was actually anything but effortless Her date David was someone she'd met through the law firm where she worked as a paralegal He was an associate attorney tall conventionally handsome and possessed what appeared to be a full set of teeth and a steady income On paper he checked all the boxes that her mother had been helpfully listing since Maya turned twenty five three months ago David arrived precisely on time which Maya appreciated wearing a crisp navy suit that suggested he'd come straight from the office He spotted her immediately and approached with a confident smile that made her stomach flutter with what she hoped was anticipation rather than the breakfast burrito she'd nervously consumed at ten thirty Maya you look lovely he said leaning in for what she assumed would be a brief polite hug However David apparently favored the European double cheek kiss while Maya had prepared for a standard American side hug The result was an awkward dance where she turned left as he leaned right causing their foreheads to collide with an audible thunk that made several nearby coffee shop patrons look up from their laptops **Fantasy & Science Fiction**, 1993 *Scheidungsrituale* Andrea Marco Bianca, 2017-08-01 Rituale spielen nicht nur bei Taufen Hochzeiten und Beerdigungen eine wichtige Rolle Auch bei Scheidungen wird vermehrt der Wunsch nach einer symbolhaften Handlung geussert Andrea Marco Bianca beschftigt sich mit den zentralen Aspekten und Wirkungen von Scheidungsritualen sowie deren Praxis in Kirche und Gesellschaft Den ersten Teil bildet eine Auseinandersetzung mit Ritualtheorien und Scheidung als psychosozialem Prozess Danach folgt als Kernstück eine globale Bestandsaufnahme von rund 300 Scheidungsritualen aus den Bereichen Kirche Religion Therapie Mediation und s kularer Gesellschaft Im dritten Teil stellt der Autor eine empirische Untersuchung aus den USA vor und setzt sich mit praktisch theologischen Ans tzen auseinander Zum Schluss entwickelt er Perspektiven f r eine glaubw rdige Praxis die sich durch eine m glichst hohe Authentizit t in der Wahrnehmung der Beteiligten Ad quatheit in der seelsorglichen Vorbereitung und Effektivit t in der rituellen Begehung auszeichnet Custom Maid Spin for New World Disorder Peter De Krassel, 2005-08
