**Providence & Rhode Island Chef's Table** Linda Beaulieu, 2023-11-14 The state of Rhode Island is so small it's more like a city state with just about everything within easy driving distance Rhode Island really is like one big city where you can drive thirty minutes in any direction and find a restaurant worthy of your time and money Rue de l'Espoir and Pot au Feu were the early pioneers serving French cuisine and bistro fare Al Forno and New Rivers opened in 1980 both garnering national acclaim for their Modern Italian cuisine and New American cuisine respectively Not surprisingly these four wonderful restaurants are still in business today Their continued success is a testament to their culinary vision It was those venerable restaurants and chefs that brought media attention to little Rhode Island but so many chefs and restaurateurs deserve to be mentioned If Rhode Island had a foodie hall of fame these well established culinary stars would all deserve a place there Standing on their shoulders is a whole new generation of young chefs members of the new progressive food movement They are equally passionate about their food and where it comes from They have all formed close ties to local farmers and fishermen to ensure the freshest possible ingredients are delivered regularly to their kitchens With 100 recipes for the home cook from the state's most celebrated eateries and showcasing full color photos featuring mouth watering dishes famous chefs and lots of local flavor Providence Rhode Island Chef's Table is a feast for the eyes as well as the palate The delicious dishes featured here are personal histories stories of people place Each recipe chef profile and photo tells its part of the story of Rhode Island

Daniel DellaVecchia,2012-08-01 This family cookbook morphed into much more for me during the writing process It began by contacting friends and family to collect recipes for what I thought would be a simple process During those conversations and with my own memories a flood of personal history evolved in my mind What began as a repository of food recipes became much more to me and I decided to collect the process in the form of this book The Diary of a Mad Chef to also include photos of those people and selected short stories Food has always been the center of our familys common narrative thread and I attempted to place the face and the stories of my friends and family with the recipes as I remember them Along with the feedback and photos from my friends and family it became a two year long effort to compile edit and publish this book The journey has been a magnificent experience for me and I am grateful to have had the time and opportunity to write this book

**Death by a Thousand Sips** Gretchen Rue,2023-09-05 Phoebe Winchester is back on the case in Raven Creek when a

body is discovered at an estate sale in Gretchen Rue's second book in the Witches Brew mystery series perfect for fans of Laura Childs and Cleo Coyle Ever since she moved to Raven Creek Washington Phoebe Winchester knew she would have to grow accustomed to having a lot on her plate She's beginning to make the Victorian manor she inherited from her dear and adventurous Aunt Eudora feel more like home successfully running the bookstore and tea shop The Earl's Study and learning to harness her recently discovered magical powers But when she discovers a dead body at an estate sale even Phoebe wonders if this is simply too much Rumors of Phoebe's involvement force her to take action she needs to find the killer and clear her own name once again She enlists Rich Lofting the handsome private detective and her childhood friend in her investigation all while she sorts out her unresolved feelings for him Is there something more sinister lurking in the shadows of this small tight knit town And does Phoebe really want to find out With a dash of magic a pinch of sleuthing skills and a spoonful of friendly assistance Phoebe needs to uncover the killer to keep Raven Creek safe once again But if she doesn't will she find herself in even more hot water
