Cat Litter Cake and Other Horrifying Desserts Ali Vega, 2017-01-01 What can be as yucky to look at as it is yummy to eat Your dessert Learn how to make a variety of desserts that are both repulsive and tasty Create dishes like worms in dirt gooey alien limbs and poisoned apples Baking dessert has never been so much fun or so gross This delightfully disgusting cookbook series will make budding chefs squeal with happy horror as they prepare gross spooky yet delicious recipes Clear step by step instructions and colorful photos guide readers through each concoction Will you dare take a bite *Saving Dinner for the Holidays* Leanne Ely, 2009-01-16 Don't Just Celebrate Relax We all know that holidays are meant to be fun But for the cook planning the feast the holidays can inspire dread Feeding the family on a daily basis is hard enough Making the meal both special and delicious can raise the bar out of sight In *Saving Dinner for the Holidays* bona fide Dinner Diva Leanne Ely will show you that festive meals can be as easy and relaxing as they are tasty She plans the menus provides comprehensive itemized shopping lists that are organized by supermarket section includes heirloom recipes and even includes the all important timeline so that your party goes off without a hitch She also gives you a big helping hand in the kitchen and offers tips on how to make your table sparkle with warmth and beauty There's a Valentine's Day Chocolate Feast not to be missed a Mother's Day dinner that can actually be prepared by Dad and the kids a Fourth of July picnic that lights up the palate and many other red letter feasts There are even recipes that help turn leftovers into delectable dishes **Judging Passions** Roger Giner-Sorolla, 2013-03-01 Shortlisted for the British Psychological Society Book Award Academic Monograph category 2014 A CHOICE Outstanding Academic Title 2013 Psychological research shows that our emotions and feelings often guide the moral decisions we make about our own lives and the social groups to which we belong But should we be concerned that our important moral judgments can be swayed by hot passions such as anger disgust guilt shame and sympathy Aren't these feelings irrational and counterproductive Using a functional conflict theory of emotions FCT Giner Sorolla proposes that each emotion serves a number of different functions sometimes inappropriately and that moral emotions in particular are intimately tied to problems faced by the individuals in a group and by groups interacting with each other Specifically the author suggests that these emotions help us as individuals and group members to Appraise developments in the environment Learn through association Regulate our own behavior Communicate convincingly with others Drawing on extensive research including many studies from the author's own lab this book shows why emotions work to encourage reasonable moral behaviour and why they sometimes fail This is the first single authored volume in the field of psychology dedicated to a separate examination of the major moral and positive emotions As such the book is ideal reading for researchers postgraduates and undergraduates of social psychology sociology philosophy and politics **Let Me Eat Cake** Leslie F. Miller, 2009-04-14 Few creations are more associated with joy or more symbolic of the sweet life than cake After all it is so much more than dessert As a book about cake would demand this one is a multilayered amply frosted delicious concoction

with a slice or more for everyone Let Me Eat Cake is not a book about baking cake but about eating it Author Leslie F Miller embarks on a journey not a journey cake although it s in there into the moist white underbelly of the cake world She visits factories and local bakeries and wedding cake boutiques She interviews famous chefs like Duff Goldman of Food Network s Ace of Cakes and less famous ones like Roland Winbeckler who sculpts life size human figures out of hundreds of pounds of pound cake and buttercream frosting She takes decorating classes shares recipes and samples the best cakes and the worst The book is held together by the hero on a quest one that traces cake history and tradition If we were to bake a cake to celebrate the birth of cake cake is an Old Norse word first used around 1230 it is hard to say how many candles would go on top Though the meaning of the word originally lump of something not to mention our expectations of its ingredients has changed over time we now celebrate cake as the coming together of flour sugar butter eggs vanilla baking powder and a pinch of salt And what a celebration Baking a cake is hard work but tasting it is pure pleasure So put on some elastic waist pants and grab a fork

Future-Ready Retail Ibrahim Ibrahim,2022-06-03 Traditional shops are facing challenging and unprecedented times Future Ready Retail explains how changing consumer needs the impact of digital and the issues around health wellness and distancing have transformed retail and provides compelling solutions to help reimagine the high street and out of town malls Conventional high streets shopping arcades and retail malls throughout the world no longer attract the crowds needed to sustain them as successful commercial spaces Suffering from the effects of online shopping changing consumer attitudes and expectations and the legacy impact of social distancing there s a sense of urgency and the need to address the decline in physical retail

Future Ready Retail provides in depth analysis of how consumers health data and new technologies will continue irreversibly to shake up physical shops and permanently shape the future of traditional retail Arguing that to be future ready retail needs to be driven by people and places not solely real estate the book explains how brands can develop strategies to create shops whose main purpose is to recruit retain and delight customers Featuring case studies from successful global brand retail futurist and designer Ibrahim Ibrahim identifies key retail cultural trends shows why it s important to make retail space physically smarter and how to use touch points such as social website and apps alongside the physical space to achieve a seamless enjoyable and profitable retail experience

Managing Brand Equity David A. Aaker,2009-12-01 The most important assets of any business are intangible its company name brands symbols and slogans and their underlying associations perceived quality name awareness customer base and proprietary resources such as patents trademarks and channel relationships These assets which comprise brand equity are a primary source of competitive advantage and future earnings contends David Aaker a national authority on branding Yet research shows that managers cannot identify with confidence their brand associations levels of consumer awareness or degree of customer loyalty Moreover in the last decade managers desperate for short term financial results have often unwittingly damaged their brands through price promotions and unwise brand extensions causing irreversible deterioration of the value of the brand name Although several companies such as Canada Dry and Colgate Palmolive have recently created an equity management position to be guardian of the value of brand names far too few managers Aaker concludes really understand the concept of brand equity and how it must be implemented In a fascinating and insightful examination of the phenomenon of brand equity Aaker provides a clear and well defined structure of the relationship between a brand and its symbol and slogan as well as each of the five underlying assets which will clarify for managers exactly how brand equity does contribute value The author opens each chapter with a historical analysis of either the success or failure of a particular company s attempt at building brand equity the fascinating Ivory soap story the transformation of Datsun to Nissan the decline of Schlitz beer the making of the Ford Taurus and others Finally citing examples from many other companies Aaker shows how to avoid the temptation to place short term performance before the health of the brand and instead to manage brands strategically by creating developing and exploiting each of the five assets in turn
