Michaels,2013-05-14 With barbecue being one of the most popular summer activities it is no wonder that there are so many different BBQ cookbooks to be found But how many times have you had to jump from one book to the other because neither of them contains all the recipes that you need How many times did you end up ordering guides labeled as the best BBQ cookbooks only to be presented with a bunch of recipes nobody really even likes True barbecue fans find this to be a great source of discomfort which is part of the reason I wrote Make your Summer Go with a Bang **Barbecue Pork Recipes**
