Recipe Chuck Wagon Stew:

Appalachian Home Cooking Mark Sohn, 2005-10-28 Mark F Sohn's classic book *Mountain Country Cooking* was a James Beard Award nominee in 1997. In *Appalachian Home Cooking* Sohn expands and improves upon his earlier work by using his extensive knowledge of cooking to uncover the romantic secrets of Appalachian food both within and beyond the kitchen. The foods of Appalachia are the medium for the history of a creative culture and a proud people. This is the story of pigs and chickens, corn and beans and apples and peaches as they reflect the culture that has grown from the region's topography, climate and soil. Sohn unfolds the ways of a table that blends Native American, Eastern European, Scotch Irish, black and Hispanic influences to become something new and uniquely American. Sohn shows how food traditions in Appalachia have developed over two centuries from dinner on the grounds, church picnics, school lunches and family reunions as he celebrates regional signatures such as dumplings, moonshine and country ham. Food and folkways go hand in hand as he examines wild plants, cast iron cookware and the nature of the Appalachian homeplace. *Appalachian Home Cooking* celebrates mountain food at its best. In addition to a thorough discussion of Appalachian food history and culture, Sohn offers over eighty classic recipes as well as mail order sources, information on Appalachian food festivals, photographs, poetry, a glossary of Appalachian and cooking terms, menus for holidays and seasons and a list of the top 100 Appalachian foods. **Cowgirls in the Kitchen**

Jill Charlotte Stanford, Robin Betty Johnson, 2016-09-01 From the Barrel Racer cocktail, whiskey and powdered doughnuts to slow cooker stews and casseroles perfect for feeding the crowd on branding days to cast iron recipes perfect for a pack trip into the mountains, *Cowgirls in the Kitchen* includes all the recipes that the modern cowgirl needs to keep her crew fed and her family happy. Combines the best of cowgirl myths, nostalgia and legends with useable, delicious and fun recipes for use at home or on the trail. This book celebrates the romance of the American cowgirl from the late nineteenth century to today through historic photographs and modern western-themed recipes that will appeal to cowboys as well. *U.S. Armed Forces Recipe Service*, Over 1,700 total pages. The *Armed Forces Recipe Service* is a compendium of high volume food service recipes written and updated regularly by the United States Department of Defense Natick Laboratories and used by military cooks and by institutional and catering operations. It originated in 1969 as a consolidation of the cooking manuals of the four main services and is based on previous military publications dating back to the first standardization efforts in the US Army in 1896. Recipes are based primarily on American cookery with the addition of specialized items such as vegetarian, kosher and halal recipes to meet more specialized needs of those being served. The Service database is now distributed by the Joint Culinary Center of Excellence, a division of the US Army Quartermaster School based in Fort Lee, Virginia. Each recipe card has a standardized format; each recipe is calibrated to feed 100 people with a basic nutritional analysis across the top of the card. **Big-Hearted Cowboy**
